

Deficiencies:

WTW 2009

Objectives

- to maintain the character and ambiance of the village and its exceptional setting around the bay
- to promote redevelopment in the vicinity of the pier-jetty and former hall
- to identify forestry Commission holdings east and west of the village for affordable housing

Site Ref.	Site Area	Location	Indicative Capacity	Developer Requirements
H1	0.2ha	Former Hall	4 units	System to deal with waste water which meets requirements of SEPA.
H2	6.0ha	West of village	20 units	System to deal with waste water which meets requirements of SEPA.
