Black Isle Ward Forum

Planning for the Integration
of care, health and education
in Children's and Adults Services

Thursday 9th June 2011 6 p.m. – 8 pm
Culbokie Primary School

The Ward Forum will provide an opportunity for members of the public to hear about and comment on these proposals. In particular, it will seek views on how individuals and community groups might have a stronger voice in the delivery of health and social care services that are delivered in a more integrated way.

The forum meets regularly in public led by Black Isle Councillors. Representatives of community councils, young people, business and voluntary sector, partner agencies such as the Northern Constabulary and NHS serve on the Forum.

Members of the Public are invited to attend.
