### YOUR UNDERTAKING IN USING THE SERVICE

I accept responsibility for any items lost or damaged while on loan to me and agree to comply with the library Byelaws and Regulations. I understand that the information I have given will be used for my membership of the Highland Library Service and any relevant procedures following from this. I note that the data will be kept in accordance with the Data Protection Act 1998 and will not be passed on or sold to any other organisation without my approval, unless this is a legal requirement.

Occasionally Highland Libraries may wish to contact you about new books, library events, what's on and what's new. Our preferred method of contacting you is by email. Should you not wish to be contacted in this way please let us know.

I have read and understood the Guidelines and Rules for Public Use of the Internet. We require that an adult accompany children under 8 years when they access the internet in a Highland Library. I understand that if I do not follow these guidelines I may not be allowed to use the High Life Highland Internet service.

Please tick here if you do not wish your child to have access to the PCs and filtered internet access
