Dear Sir

OPEN SPACE – VIEWFIELD, NAIRN

Further to the Main Issues Report, we believe that the Highland-wide LDP will set out general standards for open space provision, rather than detailed provisions within settlements. In that regard, we intend to make representations supporting continuation of the principles of the Viewfield, Nairn Policy agreed by the Council (2005), as part of the Inverness and Inner Moray Firth Local Development Plan expected in 2011. In the event that such matters become part of the Highland-wide Local Development Plan, we would ask that the Council reaffirm the principles of that policy.

We agree – in response to Q37 – that this open space would be part of a “green network”.

Yours faithfully

Ronald M Gordon
