These rates apply only where a resident occupies a single room. Where two residents share a room, £25.00 will be deducted from these rates in respect of each resident.				

The Very Dependent Elderly and Nursing Specialist client categories and fee rates were phased out from 1 April 2007. Residents placed before 1 April 2007 continue to be paid at these rates, but **any new Residents must be placed under the standard Residential or Nursing rate**. High dependency resulting in a requirement for greater 1:1 staff input may require an application for Additional Care Charges to be presented to RAP for approval.
