Additional Care Charge (1:1 care as assessed and approved by the Council)	9.69 per hour	9.69 per hour	9.69 per hour

**The Very Dependent Elderly and Nursing Specialist client categories and fee rates were phased out from 1 April 2007. Residents placed before 1 April 2007 continue to be paid at these rates, but any new Residents must be placed under the standard Residential or Nursing rate. High dependency resulting in a requirement for greater 1:1 staff input may require an application for Additional Care Charges to be presented to RAP for approval.**
