Highland Wide Local Development Plan Information Day

Friday, 2nd October
Community Centre, Nairn
10am – 6pm

We are starting work on a new land use plan for the Highlands which will help to shape the way our towns, villages and countryside will look in the future.
We are running a number of events throughout Highland and we want you to let us know what you think the main issues are in your community, please get involved in the preparation of the plan.
