

**By the end
of this
topic I will
be able
to:**

Confident Individuals

- Have had opportunities to have excelled and been creative in art and drama within class time.
- Tell others my thoughts on issues relating to the Home-front during WW2 and give reasons to back up my answers
- Through the study of "The boy in the striped PJ's" describe the difficulties that Jewish/ minority groups faced during the holocaust and describe the advantages of living in today's society

**Pupil
Learning
Outcomes
P7
WW2**

Effective Contributors

- Write from the perspective of children living in WW2 to inform others of the different types of emotions experienced.
- Share work with peers to inform others about this significant period in Scottish history.
- Take on a variety of different roles in group situations and during different subjects.
- Through self and peer evaluation set next steps for myself in written and spoken tasks.

Next Steps:

1.

2.

3.

Peer Comment:

Teacher Comment:

Successful Learners

- Use technology to organise my research and present my findings
- Explain what prejudice is, why it exists and what can be done to combat it.
- Through drama combine movement, mime and voice to express my feelings and the feelings of other in various situations during WW2
- Use Art and Music to explore my topic in greater depth.
- Talk about some of the scientific advancements since the end of the war and the impact these have had on society.
- Provide my own opinion in debate situations and begin to back up thoughts with historical evidence
- Talk about my learning in different subjects and see the links made between different areas i.e. history and language

Responsible Citizens

- Listen and respond to the thoughts and feelings of others when working collaboratively and presenting views.
- Make informed choices about Historical issues in relation to WW2 and Judaism.
- Become more aware of the impact that stereotyping can have on society.
- Develop a greater understanding/ respect of a different culture/ set of beliefs to my own.
- Begin to appreciate the impact of scientific developments in the last 60 years and how these have and will continue to impact society.

Term:
