All OS base maps are the most up-to-date available to The Highland Council at the time of the production of this Local Plan.

Position in Settlement Hierarchy	-
2007 Estimated Population	122
Housing Completions 2000-2006	5
Primary School Capacity (roll/physical capacity)	52%
Water Capacity (allocations versus capacity)	limited spare capacity
Sewerage Capacity (allocations versus capacity)	limited spare capacity but can be expanded as required

**Objectives**

- To maintain the linear shape of the village with development held predominantly to the landward margins of the A82 and avoid building on elevated ground
- To enable redevelopment of infill/gap sites
- To safeguard the overriding open character of land on the seaward side of the A82 safeguarding croft land, views and further consideration of any scope for improvement of the A82.

**Site Allocations**

Site Ref.	Site Area	Location	Indicative Capacity	Developer Requirements
H	0.7 ha	Former garage/ adjacent ground	3 units	Requirement for an assessment of potential contamination issues. NSA. Developer Requirement for high quality designs. Developer Requirement for high quality designs/layout if development affects the setting of the adjacent Listed Building. This site may be risk from flooding. A flood risk assessment should be submitted with any planning application.
