Highland Council Fostering and Adoption Service

Help me
bring my
life into
focus

Be a foster carer and change a young person's life...
for life.

Three days, three months or three years. It's up to you.

- we give **£200 a week for fostering a 13 year old**
- we give professional support from the **Fostering Team**
- we give training
- we give help with health and school issues
- we give support from other carers

If you have room in your life as well as your home contact us now on **01463 703 431** to find out more.

Or email us at **fostering@highland.gov.uk**

We would also like to hear from you if you think you can help younger children.
