Parts of the Local Plan

Written Statement

The Written Statement sets out a range of general policies to achieve the objectives of the Local Plan. It should be read along with the mapping

Proposals Map

The Proposals Map is split into 2 sheets (see map opposite);

Sheet A - SKYE & LOCHALSH AREA
Sheet B - LOCHABER AREA

The above are large sheets folded down to A4 size and are separate to the Map Booklet.

Large Scale Mapping

Some of the settlement Insets are too big to be in the Map Booklet, the text for these settlements can be found in the Written Statement.

They are;

FORT WILLIAM, PORTREE, BROADFORD, DUNVEGAN, FERRINDONALD / TEANGUE, PORTNALONG & FISKAVAIG and GLENELG & GALLTAIR

The Map Booklet

This is the Map Booklet referred to by the Written Statement of the West Highland & Islands Local Plan. The Map Booklet contains the other Insets of The Proposals Map. An Inset shows more detailed mapping and has text with it.

The Booklet also contains the Background Maps, they set out the locations and information about natural, built and cultural heritage features in so far as they have been mapped digitally on our system. There is also mapping of consultation areas and physical constraints - relevant to other plan policies - in this section of the map booklet
