

Booktime 2009-10

Booktime packs are distributed by Booktrust directly to schools for reception aged children.

A Booktime pack contains a picture book and guidance for parents and carers on shared reading. The pack is for children aged 4-5 years.

This year's illustrated story book is *Mr Big* by Ed Vere.

Booktime aims to encourage reading together for fun and pleasure at a key transition stage in children's learning and development.

Inspired by Bookstart, Booktime is managed and administered by Booktrust.
