Comments on Consultation Process (+ve)	
Comments on Consultation Process (-ve)	

### Key:

<b>Background</b>	<b>Spatial Strategy</b>	<b>Policy Options</b>	<b>Consultation</b>
-------------------	-------------------------	-----------------------	---------------------

### Notes:

General comments – also finds preferred option boxes difficult to read due to mauve background / maps too small and suggests alternatives.

Action Sheet Completed by:	GW
Date:	8/12/09

q39\_general\_comments I suffer from failing eyesight and it is difficult to read the Preferred Options as they are black printing on a Mauve background. Might I suggest that to highlight your preferred option you just give it a coloured border. I would also suggest that where maps are used then a full page should be used rather than the small maps used.
