Tell us what you think

If you have any comments on either the Highland wide Local Development Plan or generally what you have seen at our exhibition today, please write them below. If you need more space please continue overleaf

Comments

①

The forecasts are set too high re population growth, the low → mid forecast is the most likely. As there is no large industry / jobs likely to come to the area.

② Before any growth occurs the need for a Southern distributor Rd for a by pass is needed - urgently.
