About this form

This form is intended for tenants who are renting property in the private rented sector. The information being sought will be used to enable the Council to make payments directly into your bank/building society account.

If you are a private tenant and make a successful new claim for Housing Benefit or if you change address, (unless you are in an exempt category) you will be paid Local Housing Allowance. This will mean that we must pay any Local Housing Allowance to you and not your landlord unless there are special circumstances. If there are special circumstances a Safeguard Referral form must be completed and agreed by The Highland Council.

If you are renting your property from the Highland Council your Housing Benefit will be credited to your rent account. This means that you do not need to complete this form as we do not require details of your bank/building society details.

Completed forms should be returned to:

**Operations Team
PO Box 5650
Inverness
IV3 5YX**
