

**QUESTIONNAIRE FOR
PLANNING APPLICATIONS
INVOLVING MINERAL WORKING**

REGISTER No.

<p>1. Address or Location of proposed Mineral Working</p>	
<p>2. Is the proposed working new; a continuation or extension of an existing working; or a resumption of a previous working?</p>	
<p>3. i) What types of mineral will be extracted and ii) what, if any, manufactured materials will be produced.</p>	
<p>4. How much material will be extracted each year and what is the method of extraction?</p>	
<p>5. What is the estimated period of the workings?</p>	
<p>6. How will the land be reinstated after extraction and what steps will be taken to look after the reinstated land?</p>	
<p>7. What will be the number of daily vehicle movements transporting material, and the routing of such vehicles?</p>	
<p>8. If water is to be used for washing and/or screening, what is the source of the supply and the method of treating the used water?</p>	

<p>9. If the proposal is for an extension of an existing working, what was the date of commencement of the existing working?</p> <p>Please give details of all previous planning permissions.</p>	
<p>10 If the proposal is for a resumption of a previous working, on what date was the working abandoned?</p> <p>What were the reasons for the abandonment?</p>	

Signature of Applicant or Agent _____

Date _____

PLANS:

In addition to the normal site plans and block plans required with every planning application, you must provide a LAYOUT PLAN of the proposed working showing the following:-

- a) the boundary of the site and any adjoining land under the control of the applicant;
- b) the area already worked;
- c) the area proposed to be worked and the phases of working;
- d) the sites of any existing and proposed tips for dumping spoil and overburden;
- e) the sites proposed for the storage of materials;
- f) the depth, length and orientation of the working face;
- g) the site of any explosives magazine;
- h) the site of existing and proposed buildings and plant;
- i) the position and width of existing and proposed access points;
- j) details of the phases of reinstatement
