

Appendix B – All Housing Stock owned by the Highland Council and Housing Associations in Highland

If you are looking for social housing in Highland, it is essential to know where the housing can be found – some communities may not have any available social housing. The following table shows the towns and villages in Highland where the various Highland Housing Register partners and participants have properties. The lay-out mirrors that in the HHR application form to assist you with completion. Properties in some of the smaller communities are included under other settlements. Speak to the organisation involved if you need greater detail on housing in any community – their contact details are in [Appendix A](#).
