The Inshore Fishing (Prohibition of Fishing Methods) (Scotland) Amendment Order 2004.  
The whole of Loch Torridon and parts of the Inner Sound are closed to vessels fishing mobile gear.

This map is intended to be indicative rather than definitive; the marked presence of a road or track does not indicate a right of way.  
With the exception of public landing facilities, all other piers and jetties shown on the map are privately owned. Not to be used for navigation.
