

Inverness Royal Academy Newsletter

Issue 1: August 2014

Welcome to the new Inverness Royal Academy Project...

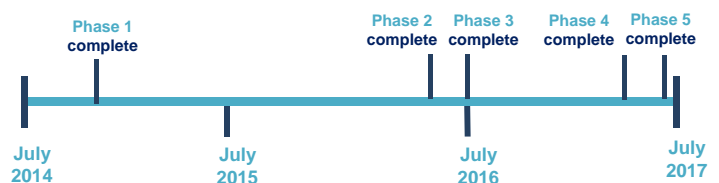

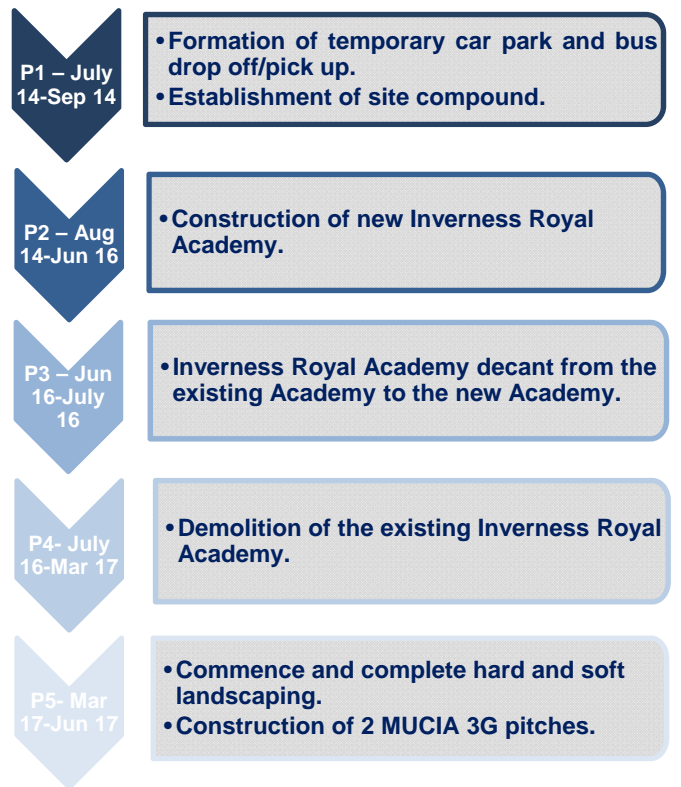

This is the first edition of the new Inverness Royal Academy newsletter. This monthly newsletter will provide an update on the project, local community activities and the project team.

The above Computer Generated Image (CGI) is an interpretation of how the new completed Inverness Royal Academy will look from the South West corner in 2016.

Timeline/ Phases

The below timeline outlines the different phases of the project:

The CGI image above shows the main internal stair of the new Inverness Academy building. The below CGI shows the external south elevation.

Considerate Constructor Scheme

Miller Construction as part of Galliford Try are an Associate Member of the National Considerate Constructor Scheme. This means that all of our sites are monitored against a Code of Considerate Practice which covers:

- consideration for the public.
- environmental impact.
- Cleanliness.
- being a good neighbour.
- as well as being responsible, respectful, safe and accountable.

We will work with the local community, stakeholders and our supply chain to not only build a fantastic new school but to have a positive long term effect on the Inverness community!

The below picture shows the new Inverness Royal Academy site whereby ground works are currently taking place.

If you would like to receive more frequent updates regarding activity on site including notification of any unexpected activity e.g. unavoidable late working then please send an email to Invernessra@miller.co.uk
