

The Highland Council: Scheduled Watercourse Maintenance Works - Complete February/March 2015

Works Number	Watercourse Name	Location	Date Works Carried Out	Description of Works
286	Mill Burn	54 Castleton Village, Milton of Leys	23/03/2015	Tree limbs, woody debris and vegetation debris are causing a partial blockage in the watercourse. Material to be removed from watercourse to tip off site. Landowner contacted and asked to carry out works.
290	Mill Burn	To rear of 7A Diriebught Road	23/03/2015	Security fence at sewer pipe crossing has collapsed into burn causing a blockage. Fence panel to be removed or repaired. Scottish Water informed of works required.
319	Allt na Glaic Moire	North West and South West boundary, Ullapool High School.	18/02/2015	Approximately 350m section of watercourse is heavily silted and vegetated. Restrictions to flow and potential for overtopping onto road and school grounds in heavy rain. Vegetation and silt to be removed from the watercourse. Works have started 10/02/15
331	Gynack Burn	Railway crossing, Kingussie	05/02/2015	Substantial sediment and cobbles have deposited under the railway bridge restricting flow capacity. 2m long tree has wedged under the bridge also, further restricting flow. Network Rail informed of works required.
345	Clyne Burn	Brora	18/02/2015	Long section of burn overtopping and flowing down road. Burn to be cleared of vegetation and loose debris/sediment removed.
348	Ben View Burn	Marybank	26/02/2015	Partial collapse of roadside bank causing ~30% reduction on width of burn. Loose material to be removed to restore conveyance.
350	Miller Road Burn	Cromarty	13/03/2015	Clearance of watercourse for 10m downstream of culvert to prevent sediment build up. Delayed due to access difficulties. Re-inspection due.
351	Denny Road Burn	Cromarty	02/03/2015	Clearance of watercourse for 10m downstream of culvert to prevent sediment build up.
352	Ault na Skiah	Castle Heather Park by B8082	26/03/2015	Sediment clearance from watercourse in section between distributor road culvert and Castle Heather Park culvert.
356	Tower Burn	Caulfield Road North	19/03/2015	Material removed from trash screen is building up at sides of watercourse. Remove off site.
364	River Peffery	Strathpeffer	13/03/2015	Trees blown over and lying in/across the peffery. Remove from watercourse.
372	Green Hill Culvert	Dingwall	16/03/2015	Channel before culvert heavily silted, screens are blinded and may need repair, overflow pipe needs repair. Clear sediment and debris, mend screens and repair the overflow pipe
