**2.17 How will you or the developer of the site resolve any issues selected in question 2.7?** Reasons for suggestion–

At the end of Cooper St to the left of the old pier this area could be reclaimed again to tidy up this area and help the fishermen.

**4.1 How do you want the West Highland and Islands area to change over the next 10–20 years?** I wish to put forward some ideas for Plockton as you have chosen Plockton as one of the places for development. As you know there is not much spare areas in the village, so the main areas for development must be on the shore.
