Protection Site 1 Roshven area on A861 between the villages of lochailort & Glenuig

3.1 Address / Description of Land

3.2 Landowner's name (if known) 1) Gaywood – 2) Middleton

3.4 Why should the land be protected? Much of the area is indigenous woodland interspersed with useful farmland, very popular with tourists & hill walkers often combined with boating. I have lived here for nearly 30 years & have regretfully witnessed the damage to the amenity of the area caused by some of the previous developments. The fragility of the natural environment in the face of such inroads can be devastating and reduce it's attractiveness to the wider community as well as locals.
