2.15 How soon can the site be developed?	Within 5 years
4.1 How do you want the West Highland and Islands area to change over the next 10–20 years?	Progressive – diversification of land use and ownership Sensitive – tread lightly. effective and efficient use of current development. Future proof future development. Communities not just houses – resources to be built in Cycle friendly – currently its not but could and should be
4.2 What do you think are the best, existing assets and characteristics of the area? Think	Its potential. What exists need improving – local democracy, local services, exisiting housing stock. Alternative means of transport and

of your favourite landscapes, settlements, journeys, events and meeting places.

energy need backing and belief. Its a great area for all and everything (in moderation) is possible. Cycling could be a huge asset to the area. I'd like to establish a cycle track from Skye Bridge – Broadford – Armadale. Teh skeleton of such a network exisits. How would I go about this?

4.4 How can these assets and characteristics best be safeguarded, improved or used to provide economic or community growth?

Provide and cater for those who currently do and those who wish to live in the area
