4.1 How do you want the West Highland and Islands area to change over the next 10–20 years?

RE: Broadford to Armadale Road

No added streetlighting, on this stretch of the road. It is simply not necessary, one of the prime attractions to the Highlands is our dark skies and lack of light pollution, there is not foot traffic or pedestrians that would reduce street lighting.

Increased/improved bus service to coincide with buses and cope with increased traffic caused by ferry and road equivalent tariff.
