Protection Site 1 East Slea

3.1 Address / Description of Land

3.4 Why should the land be protected?

Impact on wildlife from development and street lighting. Dark skies will vanish with unnecessary street lights.

Sea temperature will rise with extra treated sewage.

Impact of Kilbeg development not even evaluated so more development is unwanted until this is assessed. Street lighting at Kilbeg already too bright – more like floodlights at a football stadium.

Primary school is already full – so extra pupils will cause a problem.

Medical Services will be stretched
