Protection Farming land near Teangue

Site 1

3.1

Address /

Description

of Land

3.4 Why should the land be protected?

Provides livelihood for local farmers who have farmed here for generations. Good farms are important for us all and should be preserved at all costs. The well kept farm land enhances the area better than anything else could which is admired by tourists and very much appreciated by residents too. The area by Knock Castle is part of this, scenic for tourists. Rural walks for locals and tourists here should be left unspoilt. Sleaf is already at risk of being over developed and I am very concerned about this. The local farmer is respected and admired by all the locals. Please preserve their invaluable contribution to our much loved area.

**3.8 Why
should the
land be
protected?** It provides a livelihood for our local admired and respected farmers, 2 generations work here. Knock Castle is a tourist attraction and there are scenic and pleasant walks here for both the local community and tourists.
