Protection Site 1 Good Croft land

3.1 Address / Description of Land

3.2 Landowner's name (if known) Aultbea Estate/Various

3.4 Why should the land be protected? H.C need to begin protecting good in bye croft land ,whether it be individual crofts or common grazings.Protection is already in place for wildlife and it is being proposed for marine life,WHY NOT CROFT LIFE ? In the last thirty years H.C and local councillors have given no regard to protecting good croft land. H.C should consult with grazings committees and the crofters commission.
