Fort William

1. Improve shops on the High Street

- Ask people what kind of shops they would like, instead of Tesco. Introduce more popular shops.
- Make shops colourful so they stand out and attract people

2. Tidy up the High Street

- More rubbish bins throughout the general area
- Higher littering fines, make it a community service and put more people on watch for litters to report them.

3. Improve the town pier

- Expand with board walks

- Advertise the restaurants to draw people into the area

- Flood defence at the coast

4. Improve recreation and leisure facilities

- Investment into improving shops and leisure centres
