4.1 How do you want the West Highland and Islands area to change over the next 10–20 years?

Fort William

- make the high street more attractive so modern shops will want to locate here
- more waste facilities/ bins
- improve the attractiveness of the town by adding lights, advertise the pier, create safe links from town to pier.
- the pier should be a gathering point within the town where people can relax and gather, this would be a benefit to both the locals and tourists.
