2.4 Suggested Use/s sports pitches, industry, housing,

2.8 How will you or the developer of the site resolve any issues selected in question 2.7? Yellow site– for sports pitch because it is flat, not boggy and could use the already existing shinty pitch facilities.

Purple site– for industry as there is already industry here and it this will fit in.

Brown– for housing as there is already housing here and it would fit in here and could hold more homes together to tackle the demand for housing. It is also close to the school.

Orange– (around the camp) new access to the harbour.

Blue– housing as its easy to walk to.
