**Protection Site 1** Woodland backing Armadale Bay

**3.1 Address / Description of Land**

**3.2 Landowner's name (if known)** Lucilla Noble Eilean Iarmain Estate

**3.4 Why should the land be protected?**

Highly visible gateway to Sleat  
High amenity for beach used by locals & visitors  
Sensitive location of considerable landscape importance, especially with more residents living in Armadale now  
Has been protected in all previous local plans  
Planning conditions for tree planting & woodland restocking from previous development have been ignored by developers – they should not gain by this breach
