3.4 Why should the land be protected?

Area 1 and 4 (green) No development between the road and the sea to preserve the views and nature of the village.

Area 2 (red) No development to maintain Aird and Badachro as separate entities – i.e no ribbon development.

Area 3 (pink) Deciduous woodland to be protected

Blue line. Circular walk along Aird road and back along the lower ridge (rough but easily walkable land) which gives fine views over Badachro Bay to the Torridons, over the Loch to Strath and out to Big Sand, and over the Minch to Skye
