

The Highland Council: Scheduled Watercourse Maintenance Works - Complete April/May 2015

Works Number	Watercourse Name	Location	Date Works Carried Out	Description of Works
280	Ryefield Burn 2	B9163 at Alcaig	27/04/2015	Build up of sediment has partially blocked the rhs culvert. Inlet and outlet area to be cleared of sediment up to max 5m from culvert headwalls.
334	West Terrace Burn	A86, Kingussie	20/04/2015	Channel heavily sedimented and culvert and road gullies choked. BEAR have carried out the work.
338	Balantoul Burn	Fort Augustus	08/04/2015	Clearance of vegetation and debris from bypass/overflow channel
349	Ben View Burn	Marybank	01/05/2015	Culverted field access in poor state of repair and beginning to collapse. Has been replaced with new culvert.
357	River Peffery	Burns Crescent	02/04/2015	Trees blown over and lying in/across the peffery. Remove from watercourse.
358	Lochardil Burn	Lochardil Road	14/04/2015	Tree across burn. Remove from watercourse.
360	Ashburn	Fort William	23/04/2015	Sediment build up in front of culverts. Remove material from site.
362	Slackbuie Channel	Upstream, Culduthel Road	22/04/2015	Trees growing in the Burn. Remove trees retaining the stumps to prevent erosion
368	Davidston Burn	Shore Mill, Cromarty	23/04/2015	Watercourse has cut new route through field and is discharging to culvert under road. Culvert is in need of some repair.
369	Ashburn	Fort William	23/04/2015	Clear debris from the watercourse and culverts between structures 90_LL_AsB_40 and 60
371	Old Manse Burn	Avoch	07/04/2015	Culvert inlet to be cleared. Currently blocked by build up of sediment
375	Parks Farm Burn	Culvert under southern distributor road	14/04/2015	Sediment bar has built up at the outfall of the culvert under the southern distributor road. Remove this to allow free flow through the culvert.
376	Parks Farm Burn	Trash screen downstream of southern distributor road	14/04/2015	Build up of debris and litter at and around the trash screen. Remove from site.
377	Mill Burn	Southern distributor road culvert	15/04/2015	Woody debris caught on central pillar of the bridge. Remove from site.
378	Mill Burn	Footbridge between Merlin Crescent and Mackenzie Park Gardens	14/04/2015	Tree root caught below deck of bridge. Remove from site.
379	Mill Burn	Sluice gate at Millburn Court	10/04/2015	Branches and debris building up in front of the old sluice gate workings. Remove from site.
380	Mill Burn	Harbour Road Culvert	08/04/2015	Build up of sediment and woody debris on right bank at upstream side of bridge. Remove from site.
381	Dell Burn	Beechwood Business Park	30/04/2015	Trees and woody debris causing flow restrictions on a 50m section of burn. Remove debris and overhanging tree branches
382	Dell Burn	Tesco Inshes	09/04/2015	Material and debris (leafy matter) building up in channel and particularly the banks in front of trash screen. Clear all loose material from 10m section upstream of screen.
389	Lochardil Burn	Lochardil Road	14/04/2015	Tree fallen across watercourse and catching debris. Remove tree and debris from the watercourse. This is in addition to Works Number 358.
390	Lochardil Burn	Lodge Park	17/04/2015	Fallen branch fallen across the watercourse and catching debris. Remove tree and debris from the watercourse.
391	Smithton Burn	Upstream of railway culvert	10/04/2015	Chairs and other waste dumped in burn upstream of the railway culvert. Remove all material off site.
