Subject: Call for Sites,

Dear Mr Stott

Further to our recent meeting and discussion regarding sites within the Inner Moray Firth area, a completed form and location plan is attached for the above site.

This site is already zoned for development within the current Local Plan and we wish an adjustment to numbers to take into account changing market conditions.

For the avoidance of doubt, we anticipate that the remainder of this site will be commenced within the next 10 year period.

Thank you for your assistance.

Yours sincerely
