3 Submitting a Sickness Notification (as a Delegate)

A delegated employee is someone that has been selected by their manager to be responsible for a standard process which would normally be carried out by the manager.

HC rules state that an employee beneath the level of the manager is unable to submit Sickness, therefore, the delegated employee should be either on the same level as the Manager or above. If the delegate is in any level below you then please do not continue

> From MyView Dashboard (Main Menu) click on [My Responsibilities]

Drop down menu will appear

| My Responsibilities | • |
|---------------------|---|
| My Responsibilities | |

Click on [My Responsibilities]

Delegated Responsibilities page will appear

Delegated Responsibilities

This module is used as part of the delegation rules set up. This allows a Manager to select a peer or reportee to be delegate to receive and approved notifications from staff such as Holiday requests, Web Expense Claims, Sickness Notifications and Incidents.

Please remember to log out from MyView when you have finished using it, please click on the sign out button at the top right hand of the screen.

5 Miscellaneous Error Messages

You may get an error message advising "STOP" "MyView : Session Ended – Your request cannot processed at this time". Click on the [**Return to home page**] button on the bottom right hand side of the screen to log back into your MyView session.

Please report this error to: FSAT advising what task you were trying to perform during your MyView session.

At the moment you will not be able to access the MyView Self Service outside of the HC network
