		6776 4546		6778 4546
Adopted Road Description	<p>Commencing at its junction with Millburn Road (B865) at a point 250metres (273yards) east of the latter roads junction with Victoria Drive (U4384) a double lane cul-de-sac with partially contiguous footways on both sides, varying in width from 1.8 metres to 8.0 metres. The road extends in a southerly, southwesterly and southerly direction to its termination in a turning head a distance of 1090 metres or thereby.</p> <p>In addition it has the following spur road off:</p> <p>Commencing at a point 215metres (235 yards), or thereby, south of the junction with Millburn Road – Academy Street – Chapel Street (B865), a road 5.5metres wide with contiguous 1.8 metre wide footways on both sides. The road extends in a westerly</p>			

The Highland Council – List of U Class Adopted Roads

direction, a distance of 18 metres (20 yards), or thereby, to where it bifurcates:

- (i) as a road 6.0 metres wide with 1.8 metre wide, part contiguous footway, part remote footpath on one side and 1.8 metre wide remote footpath on the other side, but excluding parking and landscaped areas. The road extends in a southerly direction to its termination in an extended hammerhead, a distance of 50 metres, or thereby, inclusive of the arm of the extended hammerhead.
- (ii) as a road 6.0 metres wide with part contiguous footway, part remote footpath, varying between 1.8 and 2.0 metres wide, on both sides, but excluding parking and landscaped areas. The road extends in a northerly direction to its termination in a hammerhead, a distance of 88 metres, or thereby, inclusive of the arm of the hammerhead.

In addition it has the following remote footpath off:

Commencing at a point 48 metres (53 yards), or thereby, south of where the road bifurcates, a 2.0 metre wide remote footpath which extends in an easterly direction to re-join Diriebught Road (U3860), a distance of 18 metres (20 yards), or thereby.

This gives an overall length for Diriebught Road of 1592 metres (1741 yards), or thereby, with an additional length of remote footpath of 18 metres (20 yards), or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of the slope on embankment, whichever is greatest.

Adopted Road Description	<p>Commencing at its junction with Millburn Road (B865) at Millburn Roundabout a double lane road with contiguous footways on each side extending in a north westerly and westerly direction to Longman Road (A82T) at Harbour Road Roundabout and then continues in an westerly direction to its junction with Shore Street (U4618) a distance of 1855metres (2029yards). In addition it has the following roads off:-</p> <ol style="list-style-type: none"> 1. Commencing at a distance of 135metres or thereby north west of the Millburn a cul-de-sac road 7.3metres wide with 2.0metre wide contiguous footways. The road extends in a south westerly direction for a distance of 113metres or thereby terminating in a ‘T’ head turning area 53metres long. At a distance of 82metres or thereby from its junction with the main Harbour Road a spur road extends in a north westerly direction for a distance of 24metres or thereby. This gives an overall length of spur road of 190metres or thereby. 2. At a point 534metres (584yards) north west of the roads commencement a double lane cul-de-sac extends in a northerly and north westerly direction to its termination in a turning head a distance of 260metres (284yards). 			

The Highland Council – List of U Class Adopted Roads

3. At a point 600metres (656yards) or thereby north west of the roads commencement a 7.3 metre wide road with contiguous 2.0 metre wide footways on both sides for the first 90 metres or thereby of its length and thereafter on its southern side part verge, part contiguous 2.0 metre wide footway adjacent to which there is a part contiguous 2.0 metre wide verge and on its northern side a contiguous 2.0 metre wide footway and 2.0 metres wide verge contiguous to the northern side of the footway. The road extends in southerly and easterly directions to its termination in an elongated turning head a distance of 310 metres (yards) or thereby inclusive of the turning head and access spurs.

4. Commencing at a distance of 100metres or thereby west of the (U4316) Seafield Road junction with Harbour Road a cul-de-sac road 7.3metres wide with 2.0metre wide contiguous footways. The road extends in a southerly direction for a distance of 93metres or thereby terminating in a ‘T’ head turning area 68metres or thereby long.

This gives an overall length of spur road of 161metres or thereby.

5. At a point 992metres (1085yards) northwest of the roads commencement a cul-de-sac 7.3metres wide with a contiguous footway 1.8metres wide in the west side only. The road extends on a southerly direction to its termination in a turning head a distance of 63metres (69yards) or thereby.

6. At a point 1114metres (1218yards) north west of the roads commencement a double lane cul-de-sac varying between 5.5metres and 7.3metres wide with contiguous footways 0.9metres wide on both sides. The road extends in a north easterly direction to its termination in a turning head a distance of 75metres (82yards).

7. At a point 1150metres (1258yards) north west of the roads commencement a double lane cul-de-sac extends in a south westerly direction a distance of 102metres (112yards).

8. At a point 1234metres (1350yards) north west of the roads commencement a loop road of double lane width extends in a south westerly and north westerly direction to its junction with Longman Road (A82T) a distance of 252metres (276yards).

This gives an overall length for Harbour Road of 3176metres (2.0 miles 52 yards) or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of the slope on embankment, whichever is greatest.

Road Number	U4122	U0778V	Date of Adoption	Unknown Amendment 05.01.2010
Description	MACLENNAN CRESCENT, INVERNESS			
Length of Adopted Road	Miles	0.22	KM	0.347
OS Coordinates	Start	266069 846417	End	266161 846237
		266092 846310		266120 846282
Adopted Road Description	Commencing at its junction with Anderson Street (U3761), at a distance of 198metres or thereby south east of the latter roads junction with Thornbush Road (U4625), a road 5.5metre wide with 1.8metre wide contiguous footways extending in a south westerly direction for a distance of 15metres or thereby. Thereafter the road tapers, over a length of 1metre, to a 3.5metres wide throat, 2metres long, before widening again, over a length of 1metre to a shared surface road 5.5metres wide with 0.6metre wide contiguous hard verges. The 4.0metre long transitional section of road has contiguous footways varying between 1.8metres and 3.0metres in width and extends in south westerly and south south easterly directions. The road then continues in a south south easterly direction as a shared surface road with a 5.5metres wide carriageway with 0.6metre wide contiguous hard verges for a distance of 73metres or thereby where it is bisected by a 3metres long footway that extends across the width of the carriageway. The shared surface road continues thereafter in south south easterly and south easterly directions to a transition nosing on one side of the carriageway, a further distance of 92metres or thereby The nosing tapers over a 2metre length on one side to provide a 3.5metre wide carriageway 3.0metres long before widening out again to 5.5metres over a further length of 4metres. This 9.0metre long transitional section of road has contiguous footways varying between 1.8metres and 3.0metres in width and extends in a south			

The Highland Council – List of U Class Adopted Roads

	<p>easterly direction. The road then continues as a 5.5 metres wide carriageway with 1.8metre wide contiguous footways to its junction with Jamaica Street (U4058), a further distance of 32metres or thereby.</p> <p>The road also has the following spur off:</p> <p>Commencing at a distance of 117metres or thereby south south east of its junction with Anderson Street (U3761), a shared surface loop road 5.5m wide with curve widening to 8.0metres or thereby on bends and 0.6m wide part contiguous hard verges and part contiguous landscaped verges varying in width between 0.6metres and 4.5metres or thereby. The road extends in north easterly, south easterly and south westerly directions to its second junction with MacLennan Crescent a distance of 119metres or thereby. Transitional road narrowing sections of carriageway with 4.0metre tapers reducing the carriageway from 5.5metres to 3.5metres, 3.0metres long and thereafter widening over a further 4 metres to 5.5metres are located at each end of this section of road at a distances of 10 and 8.0metres or thereby respectively from its junctions.</p> <p>This gives an overall length for MacLennan Crescent of 347metres or thereby.</p>

Adopted Road Description	<p>Commencing at its junction with the roundabout on Telford Street (A862) at a point 170metres (186yards) north west of the latter road's junction with Cameron Road (U3826) a double lane width road having contiguous footways or verges, 2.0metres wide, and including laybys. The road extends in a north easterly, north westerly, north easterly and south easterly direction to its conjunction with Carsegate Road North a distance of 1050metres (1148yards). In addition it has the following spur roads off:</p> <ol style="list-style-type: none"> 1. Commencing at a point 616metres (674yards) north west of its junction with the roundabout on Telford Street (A862) a cul-de-sac of double lane width having contiguous footways or verges 2.0metres wide. The road extends in a north easterly direction to its termination in a turning head a distance of 91metres (100yards). 2. Commencing at a point on cul-de-sac No. 1, 43metres (47yards) north east of the junction with Carsegate Road a cul-de-sac of double lane width having contiguous footways or verges 2.0metres wide. The road extends in a south easterly direction to its termination in a turning head a distance of 70metres (77yards). 3. Commencing at a point on cul-de-sac No. 1, 78metres (85yards) north east of the junction with Carsegate Road a cul-de-sac of double lane width having contiguous footways or verges 2.0metres wide. The road extends in a north westerly direction to its termination in a turning head a distance of 47metres (51yards). 4. CUL DE SAC TO NOS 9-53 CARSEGATE ROAD Adopted 14.09.1995 <p>Commencing at its junction with Carsegate Road (U4608) at a point 184metres (201yards) north west of the latter roads junction with Carsegate Road South (U4610) a cul de sac varying between 6.0metres and 7.3metres wide with part contiguous footways 1.8metres wide but excluding parking areas. The road extends in a south westerly, north westerly and north easterly direction to its termination a distance of 213metres (233yards).</p>			

The Highland Council – List of U Class Adopted Roads

5. In addition it has the following spur road off:

Commencing at a point 33metres (36yards) from its junction with Carsegate Road (U4608) a cul de sac 6.0metres wide with contiguous footways 1.8metres wide. The road extends in a south easterly direction to its termination in a turning head a distance of 116metres (127yards).

This gives an overall length for the cul de sac to Nos. 9-53 Carsegate Road of 329metres (360yards).

6. Commencing at a point 376 metres or thereby from its junction with Carsegate Road South (U4610) a 7.3 metre wide road including 2 turning heads with contiguous 2.0 metre wide footways. The road extends in a north westerly, easterly then south westerly direction to its termination at its junction with Carsegate Road North a distance of 360 metres (394 yards) or thereby including the length of the turning heads.

This gives a total length for Carsegate Road of 1947 metres or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls, or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest.

The Highland Council – List of U Class Adopted Roads

33metres or thereby inclusive of the arms of the turning area.

Commencing at a point 90metres or thereby along spur road 2, a road 5.5metres wide with 1.8metre wide contiguous footways extends in a northerly direction, terminating in a turning area, a distance of 67metres or thereby inclusive of the arm of the turning area.

This gives an overall length of spur road 2 of 289metres or thereby.

Road 3 Commencing at a point 130metres or thereby from its west junction with Stevenson Road (U4703), a road 5.5metres wide including a turning area and 1.8metre wide contiguous footways on both sides, extending for the first 79metres or thereby of its length, in westerly and south westerly directions. Thereafter it tapers to a 3.5metres wide throat 2.0metres long before widening again to a shared surface road 5.5metres with contiguous 0.6metre wide hard verge strips. This section of road has contiguous footways varying in width between 0.6metres and 2.8metres and extends in westerly and southerly directions for a distance of 9.0metres or thereby.

The shared surface section of road extends in a southerly direction terminating in a ‘Y’ turning area a further distance of 47metres or thereby inclusive of the arms of the turning area.

This gives an overall length of spur road 3 of 135metres or thereby

Road 4 Commencing at a point 158metres or thereby from its west junction with Stevenson Road (U4703), a road 5.5metres wide with 1.8metre wide contiguous footways, extending in easterly and north easterly directions and terminating in a Y turning area, a distance of 72metres or thereby inclusive of the arms of the turning area.

Road 5 Commencing at a distance of 245metres or thereby from its east junction with Stevenson Road (U4703), a road 5.5 metres wide with contiguous 1.8 metre wide footways extending in a southerly direction for a distance of 10.0metres or thereby. Thereafter it tapers to a 3.5metres wide throat 2.0metres long before widening again to a shared surface road 5.5metres with contiguous 0.6metre wide hard verge strips. This section of road has contiguous footways varying in width between 0.6metres and 2.8metres and extends in a southerly direction for a distance of 8.0metres or thereby.

The shared surface section of road extends in a southerly direction terminating in a ‘Y’ turning area a further distance of 39metres or thereby inclusive of the arms of the turning area.

The Highland Council – List of U Class Adopted Roads

	<p>This give a total length of spur of 57metres or thereby.</p> <p><u>Road 6</u> Commencing at a distance of 86metres or thereby from its east junction with the (U4703) Stevenson Road, a road 5.5metres wide with contiguous 1.8 metre wide footways extending in a south westerly direction for a distance of 42.0metres or thereby to a ‘T’ junction. Thereafter the road extends in north north westerly and south south easterly directions.</p> <p>In the south south easterly direction the road extends for a distance of 13.0metres or thereby where it tapers to a 3.5metres wide throat 2.0metres long before widening again to a shared surface road 5.5metres with contiguous 0.6metre wide hard verge strips. The transition section of road has contiguous footways varying in width between 0.6metres and 2.8metres for a distances of 8.0metres or thereby.</p> <p>The shared surface section of road extends for a distance of 55metres or thereby to its termination in a turning area. The turning area arm is 13metres or thereby long.</p> <p>In the north north westerly direction the road 5.5metres wide with 1.8metre wide contiguous footways extends for a distance of 30.0metres or thereby where it bifurcates and extends in north easterly and south westerly directions. In the north easterly direction the road extends for a distance of 33metres or thereby inclusive of the arms of the ‘Y’ turning area termination and in the south westerly direction the road extends for a distance of 62metres or thereby inclusive of the ‘T’ turning area termination.</p> <p>This gives an overall length of spur of 256metres or thereby.</p> <p>This gives an overall length of road of 1107metres or thereby.</p>

The Highland Council – List of U Class Adopted Roads

Road Number	U4708	UI038V	Date of Adoption	25.09.2000
Description	CASTLE HEATHER DRIVE, INVERNESS			
Length of Adopted Road	Miles	0.54	KM	
OS Coordinates	Start		End	
Adopted Road Description	Part1	6743 4302 6761 4297 6760 4303 6761 4297 6759 4302 6758 4301		
	<p>Commencing at its junction with the (U3792) Balloan Road at a point 428metres or thereby south west of the (U4199) Oldtown Road junction, a road varying in width between 7.2metres and 6.0metres with 1.8metre wide part contiguous footways which extend as part non-contiguous footpaths. The road extends in a south easterly direction to and includes its roundabout junction with the (U4709) Castle Heather Avenue, a distance of 122metres or thereby. The road includes a parallel parking area and two access bell mouths, which extend in length to in line with the rear of footpath and footway respectively. Other parking areas and grassed or vegetation areas are specifically excluded.</p> <p>It also has the following spur road off:</p> <p>Commencing at its roundabout junction with the (U4709) Castle Heather Avenue a road 5.5metre wide with 1.8metre wide part contiguous footways extending in northerly and north westerly directions for a distance of 58metres or thereby terminating in a T head turning area 36metres long. This gives an overall length of spur road of 94metres. Parking areas and grassed or vegetation areas are specifically excluded.</p> <p>This gives an overall length of this part of Castle Heather Drive of 216metres or thereby.</p>			
	Part2	6781 4310 6781 4310 6783 4320 6782 4327 6776 4313 6787 4323 6780 4322		
	<p>Commencing at and including its roundabout junction with the (U4613) Castle Heather Road a road 5.5metres wide with 1.8metre wide part contiguous footways and 1.8metre wide parallel footpaths but excluding grassed or vegetation areas. The road includes five parallel parking areas and 3 access bell mouths extending in length to the rear of parallel footpaths only. The road extends in north and north easterly directions to its termination in a turning area a distance of 169metres or thereby.</p>			

The Highland Council – List of U Class Adopted Roads

	<p>It also has the following spur roads off:</p> <p>At a distance of 101metres or thereby from its junction roundabout with the (U4613) Castle Heather Road, a road 5.5metres wide with a part contiguous 1.8metre wide footway on one side only extends in a north westerly direction for a distance of 18metres or thereby thereafter it bifurcates into a Y turning area with each arm extending for a distance of 14.5metres or thereby. This gives an overall length of spur road of 47metres or thereby. Parking areas and grassed or vegetation areas are specifically excluded.</p> <p>Commencing at its roundabout junction with the (U4613) Castle Heather Road, a road 5.5metres wide with 1.8metre wide part contiguous footway on one side only extends in westerly and north westerly directions for a distance of 58metres or thereby terminating in a T head turning area 20metres long. This gives an overall length of spur road of 78metres. Parking areas and grassed or vegetation areas are specifically excluded.</p> <p>This gives an overall length of this part of Castle Heather Drive of 282metres or thereby.</p> <p>Part 3 6762 4297 6768 4300 6774 4304 Adopted 06/03/2006 6780 4309 6766 4305 6772 4308</p> <p>Commencing at its roundabout junction with Castle Heather Avenue (U4709), a road 6.0 metres wide with a contiguous 1.8 metre wide footway on its south-east side and a 1.8 metre wide parallel remote footpath on its north-west side. The road extends in a north easterly direction to its roundabout junction with Castle Heather Road (U4613), a distance of 229 metres (251 yards), or thereby. Grassed/vegetation and car park areas are specifically excluded.</p> <p>In addition it has the following spur roads off:</p> <p>(i) Commencing at a point 76 metres (83 yards), or thereby, north-east of the roundabout junction with Castle Heather Avenue (U4709) a road 5.5 metres wide. The road extends in a north-westerly direction to its termination in a circular turning area, a distance of 86 metres (94 yards), or thereby, inclusive of the length of the circular turning area. Grassed/vegetation areas are specifically excluded. However, the 1.8 metre wide parallel remote footpath, together with the 1.8 metre wide footway round the parking areas, and contiguous with the circular turning area, are included. Parking areas are also included.</p> <p>(ii) Commencing at a point 150 metres (164 yards), or thereby, north-east of the roundabout junction with Castle</p>

Adopted Road Description	<p>Commencing at its junction with the Invergarry – Uig Trunk Road (A87T) at a point 169 metres (185 yards) north west of where the latter road crosses the Allt na Cloiche Bideich, a single lane road with passing places extending in a north easterly direction through the Township of Waterloo, a distance of 1161 metres (1270 yards) or thereby.</p> <p>Unless otherwise stated the adopted road will generally extend to boundary fences or walls, or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest.</p>			

The Highland Council – List of U Class Adopted Roads

Road Number	U4793	U56	Date of Adoption	07.07.1932 24.06.1988
Description	BALMACQUEEN ROAD, SKYE			
Length of Adopted Road	Miles	0.61	KM	0.99
OS Coordinates	Start	4424 7386	End	4438 7439
	Start	4438 7465	End	4444 7436
Adopted Road Description	<p>Commencing at its junction with the Uig - Staffin Road (A855), at a point 850 metres (930 yards) south east of where the latter road crosses the Kilmaluag river. The road extends in a northerly direction a distance of 823 metres (900 yards). At a point 512 metres (560 yards) along its length a branch road extends in an easterly direction a distance of 164 metres (179 yards). These single lane roads have passing places and verges on each side which extend to adjacent boundary fences or walls, or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment whichever distance is greatest. This gives a total distance for the Balmaquien Road (U4793) of 987 metres (1079 linear yards) or thereby.</p>

outside and a landscaped central island. The roundabout extends along the centreline of its circulating carriageway, for a distance of 94 metres (103 yards), or thereby.

The road continues in a north easterly and northerly direction from Roundabout (2), its carriageway varying in width between 18.5 metres and 7.3 metres wide with contiguous 3.0 metre wide footways on both sides to Roundabout (iii) a distance of 300 metres (328yards), or thereby.

Roundabout (3) has a single carriageway, 10.0 metres wide with contiguous 3.0 metre wide footways on the outside and a landscaped central island. The roundabout extends along the centreline of its circulating carriageway, for a distance of 94 metres (103 yards), or thereby.

From its junction with Redwood Avenue (U5060) to and including the third roundabout (3) the road includes part verges varying between 2.0 and 3.0 metres wide behind the footpaths/footways. These verges contain road drainage measures and have a total length of 846 metres or thereby.

Also included is a loop road (Leys Square) commencing at a point 104 metres or thereby west of the MacAskill Drive (U5180) junction, a 6.0 metre wide road with contiguous 2.0 metre wide footways on both sides which extends north, west and south to reconnect with the Milton of Leys Road (U5043) a distance of 284 metres or thereby.

The gives an overall length of 2071 metres or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of the slope on embankment, whichever is greatest.

Adopted Road Description	<p>Commencing at its junction with Kilmore Road, Drumnadrochit (U1624), at a point 55 metres (60 yards), or thereby, south-east of Coiltie Crescent, Drumnadrochit (U2934), a road 5.5 metres wide with 2.0 metre wide contiguous footways on both sides. The road extends in a northerly direction for a distance of 14.0 metres (15 yards), or thereby. Thereafter it tapers, over a length of 2.0 metres, to a 3.5 metres wide throat, 3.0 metres long, before widening again, over a length of 2.0 metres, to a road 5.5 metres wide. The transitional section of road has contiguous footways, varying between 2.0 metres and 4.0 metres wide, and extends in a northerly direction for a distance of 7.0 metres (8.0 yards), or thereby. Thereafter it continues as a road 5.5 metres wide with</p>			

The Highland Council – List of U Class Adopted Roads

contiguous 2.0 metres wide footways on both sides, and extends in a northerly direction for a distance of 36 metres (39 yards), or thereby. Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres, to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. The transitional section of conventional road has contiguous footways, varying between 0.6 metres and 2.8 metres wide, and extends in a northerly direction for a distance of 8.0 metres (9.0 yards), or thereby. The shared surface section of road extends thereafter in northerly, easterly and south-easterly directions to its termination in a turning area, a distance of 216 metres, or thereby, inclusive of the arm of the turning area.

It also has the following spur road off:

Commencing at a point 38 metres (42 yards), or thereby, north of the junction with Kilmore Road, Drumnadrochit (U1624), a road 5.5 metres wide with 2.0 metres wide contiguous footways on both sides. The road continues in a south-easterly direction for a distance of 10 metres (11 yards) or thereby. Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres, to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. The transitional section of conventional road has contiguous footways, varying between 0.6 metres and 2.8 metres wide, and extends in a south-easterly direction for a distance of 8.0 metres (9.0 yards), or thereby. The shared surface section of road extends thereafter in a south-easterly direction to its termination in a turning area, a distance of 50 metres, or thereby, inclusive of the arm of the turning area.

In addition it has the following remote footpaths:

- (i) Connecting the turning area of the main road with that of the spur road, a 3.0 metres wide remote footpath which extends in south-westerly directions for a distance of 71 metres (78 yards), or thereby.
- (ii) Commencing at a point 47 metres (51 yards), or thereby, south west of the commencement of remote footpath (i), a 3.0 metres wide remote footpath which extends in south-westerly, southerly and south-easterly directions to meet with Kilmore Road, Drumnadrochit (U1624), a distance of 61 metres (67 yards), or thereby.

This gives an overall length for Enrick Crescent of 286 metres (313 yards), or thereby, with an additional length of adoptive remote footpath of 132 metres (145 yards), or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3

		7173 4473		7178 4478
		7174 4471		7170 4467
Adopted Road Description	<p>Commencing at its junction with Tower Road (C1036) at a point 210 metres or thereby north-east of the latter roads junction with Burn Brae (U2186), a road 6.0 metres wide with contiguous 2.0 metres wide footways on both sides extending in south easterly, southerly, easterly, north easterly, north westerly and westerly directions to its further junction with Tower Road (C1036) a distance of 960 metres or thereby. The road includes 6 bus bays 3 metres wide, 12 metres long with 20 metres long tapers.</p> <p>In addition it has the following spur roads off</p> <p>(i) Commencing at a point 119 metres or thereby south east of its junction with Tower Road (C1036) a road 5.5 metres wide with contiguous 2.0 metres wide footways on both sides extending in a south westerly direction a distance of 10 metres or thereby. Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. Thereafter the road continues in a south westerly direction to its termination in a ‘Y’ turning head a distance of 88 metres or thereby inclusive of the arms of the turning head, giving a total length of 106 metres or thereby.</p> <p>(ii) Commencing at a point 208 metres or thereby south east of its junction with Tower Road (C1036) a road 5.5 metres wide with contiguous 2.0 metres wide footways on both sides extending in a south westerly direction a distance of 10 metres. Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. Thereafter the road continues in a south westerly direction to its termination in a ‘Y’ turning head a distance of 55 metres or thereby inclusive of the arms of the turning head, giving a total length of 73 metres or thereby.</p> <p>(iii) Commencing at a point 234 metres or thereby south east of its junction with Tower Road (C1036) a road 5.5 metres wide with contiguous 2.0 metres wide footways on both sides extending in a north easterly direction a distance of 10 metres or thereby.</p>			

The Highland Council – List of U Class Adopted Roads

Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. Thereafter the road continues in a north easterly direction to its termination in a ‘Y’ turning head a distance of 79 metres or thereby inclusive of the arms of the turning head, giving a total length of 97 metres or thereby.

(iv) Commencing at a point 262 metres or thereby south east of its junction with Tower Road (C1036) a road 5.5 metres wide with contiguous 2.0 metres wide footways on both sides extending in a south westerly direction a distance of 10 metres. Thereafter it tapers, over a length of 4.0 metres, to a 3.5 metres wide throat, 2.0 metres long, before widening again, over a length of 2.0 metres to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. Thereafter the road continues in a south westerly direction to its termination in a ‘Y’ turning head a distance of 68 metres or thereby inclusive of the arms of the turning head, giving a total length of 86 metres or thereby.

This gives a total length for Woodside Farm Drive of 1316 metres or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls, or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest.

Description	DUKES VIEW, INVERNESS			
Length of Adopted Road	Miles	0.21	KM	0.342
OS Coordinates	Start	267217 841764		267367 841760
		267255 841760		267222 841708
		267278 841810		267277 841832
Adopted Road Description	<p>Commencing at its junction with Slackbuie Brae (U5174) at a point 135metres or thereby south west of the U5175 Slackbuie Road 3's junction with the Slackbuie Brae (U5174), a road 5.5metres wide with curve widening to 6.5metres and 2.0metre wide footways on both sides. The road extends in south easterly, north easterly and south easterly directions for a distance of 133metres or thereby. It then continues in a south easterly direction as a shared surface road 5.5metres wide with 2.0metre wide verges on both sides to its termination in a turning head, a further distance of 79metres or thereby including the arm of the turning head.</p> <p>It also has the following spur roads off:</p> <p>At a point 42metres or thereby along the road measured from its junction with Slackbuie Brae (U5174), a shared surface road 5.5metres wide with part contiguous 2.0metre wide footways on both sides over the first 6.0metres or thereby of its length measured from its road junction and thereafter it has 2.0metre wide verges on both sides. The road extends in south easterly and south westerly directions to its termination in a turning head, a distance of 107metres or thereby including the arm of the turning head.</p> <p>At a point 96metres or thereby along the road measured from its junction with Slackbuie Brae (U5174), a shared surface road 5.5metres wide with part contiguous 2.0metre wide footways on both sides over the first 6.0metres or thereby of its length measured from its road junction and thereafter it has 0.6metre wide hard verges on both sides. The road extends in a northerly direction for a distance of 23metres or thereby.</p> <p>This gives an overall length of road of 342metres or thereby.</p> <p>Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest.</p>			

The Highland Council – List of U Class Adopted Roads

Road Number	U5329		Date of Adoption	05.03.2010
Description	PRIMROSE AVENUE AND JUNIPER DRIVE, THURSO			
Length of Adopted Road	Miles	0.39	KM	0.63
OS Coordinates	Start	1067 6715		1020 6714
Adopted Road Description	Commencing at it's junction with the Thurso – Glengolly road (B874) at a point 179 yards south west of this roads junction with Donald Grant road (U4377) a 6 metre wide double lane road with 2 metre wide contiguous footways on each side which extends to adjacent boundary fences or walls, or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest. The road extends in a south easterly direction before looping back in a southerly, south westerly and north westerly direction before reconnecting at a point 32 metres or thereby south east of its junction with the B874. This gives an overall distance of 630 metres (689 yards) or thereby.			

Road Number	U5330	U194	Date of Adoption	27.04.2010
Description	RIVERSIDE GROVE, LOCHYSIDE, FORT WILLIAM			
Length of Adopted Road	Miles	0.12	KM	0.34
OS Coordinates	Start	211539 775964	End	211707 775936
	Spur	211574 775963		211614 775982
Adopted Road Description	Commencing at its junction with the U5136 (Riverside Park) road at a point 130 metres north of the latter roads junction with the B8006 a double lane road 5.5 metres wide, with footpaths 2.0 metres wide on both sides which extend to boundary fences or walls, extending in an easterly direction for 183 metres or thereby. Spur: Commencing at a point 40 metres east of the U5136 (Riverside Park) road a 5.5 metre wide road with 0.5metre wide mono bloc service strip on both side which extend to boundary fences or walls,. The road extends in a north- easterly-southerly direction to its termination at a turning head, for a distance of 160 metres or thereby. Giving a total distance of 343 metres or thereby.			

The Highland Council – List of U Class Adopted Roads

Road Number	U5331	U194	Date of Adoption	24.11.2010
Description	ADMIRALS WAY, INVERNESS			
Length of Adopted Road	Miles	0.10	KM	0.158
OS Coordinates	Start	271919 845040	End	272031 845121
Adopted Road Description	<p>Commencing at its junction with Woodside Farm Drive (U5183) at a distance of 196.0metres or thereby east of the latter roads junction with Tower Road (C1036), a road 5.5metres wide with 2.0metre wide contiguous footways extending in a north easterly direction for a distance of 63.0metres or thereby Thereafter it tapers, over a length of 4.0 metres, to a 3.5metres wide throat, 2.0metres long, before widening again, over a length of 2.0metres, to a shared surface road 5.5metres wide with contiguous 0.6metre wide hard verges and 1.4metre wide grass verges behind. The transitional section of road has contiguous footways varying between 2.0metres and 3.5metres wide and extends for a distance of 8.0metres, or thereby. The shared surface section of road continues thereafter in a north easterly direction to its termination in a turning head, a further distance of 87.0metres or thereby, inclusive of the turning head. This gives an overall length of road of 158.0metres or thereby.</p> <p>Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place, or to the top of the slope in cutting or the bottom of slope in embankment, whichever distance is greatest.</p>

Adopted Road Description	<p>Commencing at its junction with the A862 Ardullie-Dingwall-Beaully road at a point 145 metres (158 yards) North of the latter roads junction with the B9169 road a double lane road 5.5 metres wide with footways 2.0 metres on both sides for 317 metres on the left hand side and 374 metres on the right hand side then a shared surface road 5.5 metres wide with 0.6metre wide contiguous hard verge strip which extends to boundary walls or fences, or in open ground to a distance of 3.0 metres from the edge of the surfaced carriageway.</p> <p>The road extends in a generally west direction where the road bifurcates in a southerly direction turning round to the north and then to an east direction crossing over raised tables at each side road junction to its termination at a large turning circle a distance of 447 metres (488 yards) or thereby and where the road bifurcates in a northerly then west direction with a double lane road 5.5 metres wide and footways 2.0 metres wide on both sides to its termination at its junction with the above first described section a distance of 134 metres (146metres) or thereby.</p> <p>Also to include the following side roads:</p> <p>Side Road 1 Commencing at its junction at a point 146 metres (159 yards) south of the latter roads junction with the A862 Ardullie-Dingwall-Beaully road a double lane shared surface road 5.5metres wide with 0.6 metres wide contiguous hard verge strip which extends to boundary walls or fences, or in open ground to a distance of 3.0 metres from the edge of the surfaced carriageway. The road extends in a generally southerly direction to its termination at a turning head a distance of 63 metres (68 yards) or thereby.</p>			

The Highland Council – List of U Class Adopted Roads

Side Road 2

Commencing at its junction at a point 332 metres (363 yards) south then north of the latter roads junction with the A862 Ardullie-Dingwall-Beaully road a double lane shared surface road 5.5 metres wide with 0.6 metre wide contiguous hard verge strip which extends to boundary walls or fences, or in open ground to a distance of 3.0 metres from the edge of the surfaced carriageway. The road extends in a generally westerly direction to its termination at a hammer head a distance of 56 metres (61 yards) or thereby.

Side Road 3

Commencing at its junction at a point 382 metres (417 yards) south then north of the latter roads junction with the A862 Ardullie-Dingwall-Beaully road a double lane shared surface road 5.5 metres wide with 0.6 metres wide contiguous hard verge strip which extends to boundary walls or fences, or in open ground to a distance of 3.0 metres from the edge of the surfaced carriageway. The road extends in a generally westerly direction to its termination at an elongated turning head a distance of 72 metres (78 yards) or thereby.

Cycleway/footway

Commencing adjacent to the pedestrian light controlled crossing on the A862 at a point 21 metres south of the latter roads junction with the U2976 Teandalloch Road, a 3.0 metre wide cycleway/footway which extends in a southerly direction crossing the U5381 and terminating at a further junction with the A862 at the boundary of the property known as Hillview Park and including the footway spur to the bus stop on the A862, a total distance of 291 metres or thereby.

Footways

1. Commencing at the point of bifurcation adjacent to no. 73 a 2.0 metre wide footway which extends in a westerly direction to its termination at a further junction with the U5831 at a point between nos. 80 and 81 a distance of 68 metres or thereby. (252993 848799 to 252928 848799).

2. Commencing at its junction with the U5831 at a point adjacent to no. 11, a 2.0 metres wide footway which extends in a south easterly direction to its bifurcation thence extending a) in a northerly direction to its junction with the cycleway/footway and b) in a southerly direction to its junction with the cycleway/footway a total distance of 161 metres or thereby. (252922 848965 to 253018 848965 and 253030 848915).

This gives a total distance for the U5831 including all footways/cycleways of 1292 metres or thereby.

Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3

OS Coordinates	Start	147673, 844347	End	147739, 844135
		147769, 844295		
Adopted Road Description	<p>Commencing at the roundabout on the U5027 Drovers Way (Bealach nan Droghairean) Road at a point 407 metres or thereby north east of the A87 Invergarry to Uig roundabout junction. A double lane road, 5.5 metres wide, widening to 12 metres, or thereby, at its approaches to roundabouts which extends in a south westerly direction to a roundabout, a distance of 95 metres or thereby. It has 2.0 metre wide contiguous footways over its length to the roundabout (15m radius).</p> <p>The roundabout carriageway is 7.5 metres wide with paved over-run 3.5 metres wide and 2.0 metre contiguous footways along its outer carriageway edge and a landscaped central island (4.0 metre radius). It extends along the centreline of its circulating carriageway for a distance of 70.0 metres, or thereby.</p> <p>The road varying between 12.0 metres and 5.5 metres wide with a contiguous 2.0 metre wide footway, with verge to the rear, on its east side and 2.0 metre service strip on the west side continues from the roundabout in a southerly direction for a further distance of 24.5 metres or thereby. Thereafter it tapers on both sides to 3.5 metre wide throat 3.0 metres long before widening again to 5.5 for a further distance of 42.0 metres. Thereafter it tapers on its west side to a 3.5 metre wide throat 3.0 metres long before widening again to 5.5 metres for a further distance of 51.0 metres. Thereafter it tapers on both sides to a 3.5 metre wide throat 3.0 metres long before widening again to 5.5 metres for a further distance of 8.5 metres to its termination at its junction with U4816 Home Farm Road.</p> <p>The cumulative length of the 3 tapered section of road is 30 metres or thereby.</p> <p>This gives an overall length of U5512 Shepherds Road (Rathad Nan Ciobairean) of 321 metres or thereby</p> <p>Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place or to the top of the slope in cutting or to the bottom of the slope in embankment which ever distance is greatest.</p>			

The Highland Council – List of U Class Adopted Roads

Road Number	U5513		Date of Adoption	25/10/2010
Description	SKYLARK COURT, BROADFORD			
Length of Adopted Road	Miles	0.10	KM	0.17
OS Coordinates	Start	164102 823303	End	164046 823312
		164047 823338		164073 823340
		164044 823355		164040 823366
Adopted Road Description	<p>Commencing at its junction with U5360 Strath Suardal Way at a point 133.0 metres or thereby west of the latter roads junction with the U5359 Glen Road roundabout junction. A double lane road 5.5 metres wide with contiguous and remote 1.8 metre wide footways extending in a northerly direction for a distance of 14.5 metres or thereby. Thereafter it tapers to a 3.5m wide throat 2.0 metres long before widening again to a shared surface road 5.5 metres wide with contiguous 0.6 metre wide hard verge strips. This section of road has contiguous footways varying in width between 1.8 and 3.5 metres and extends in a northerly direction for a distance of 7.0 metres or thereby.</p> <p>The shared surface section of road varies in width between 5.5 metres and 7.0 metres and extends in a northerly, north westerly and southerly direction for a distance of 109.0 metres or thereby to its termination. Also included is a linking spur, varying between 5.5m and 7.0 metres in width, connecting the north westerly and southerly sections of shared surface and forming a remote island of which only the 0.6 metres wide hard verge forms part of the road. The length of the linking spur is 25.5 metres or thereby. Also included is a shared surface spur varying in width between 6.5 and 11.7 metres and extends in a northerly direction for 11.0 metres or thereby.</p> <p>This gives an overall length for U5513 Skylark Court of 170 metres or thereby.</p> <p>Unless otherwise stated the adopted road will generally extend to boundary fences or walls or in open ground to a distance of 3 metres from the edge of the surfaced carriageway or passing place or to the top of the slope in cutting or to the bottom of the slope in embankment which ever distance is greatest.</p>
