Subject: Dunain Community Woodland area

I am writing on behalf of the Inverness West Community Council to fully support the protection of the site used by the Dunain Community Woodland from any type of development. I understand that a Call for Site form has been completed by DCW and we support this in it's entirety. This green space is well used by local residents, schools and visitors to the area and is being well managed and maintained by DCW.

Elaine Donnelly
Secretary
IWCC
