need access onto the Manse Brae (B9006). South of the Manse Brae (48 houses) is very close to the sewage works, 48 houses seems excessive and we feel that if they are going to allow this proposal, sheltered and affordable housing should be included in this area.

N.B. Point 6 still has to be confirmed by the community council, but this point reflects the views of many members of the community who have voiced them to me.

If you have any queries on these points, please get in touch with me.

Yours sincerely, Bruce Strachan, Croy and Culloden Moor Community Council
