

A HELPING HAND FOR HILTON

Do you have an idea that will help improve your local area?

Do you live in Hilton?

Do you need £100 to £700 to put your idea into action?

If your answer is YES then **'A Helping Hand for Hilton'** is the opportunity for you to make your project happen.

Deadline for applications is

Tuesday 31st of January.

If you need information or assistance with the application please contact

Angus at Hilton Community centre

or email: helpinghandforhilton@outlook.com

Or phone the Policy team at the Highland Council on (01463) 702867

What can you apply for?

We need your ideas for projects that will:

- Benefit as many people as possible from across the community
- Help support people living in the Hilton area
- Be delivered within 12 months

The only limit is your imagination, whether you want to organise a healthy living project, start a new fitness group, put on a lunch club for older residents – all applications are welcome as long as the project supports local people in the Hilton area and will happen within 12 months.

Who can apply?

Any local community, voluntary or non-profit organisation – even informal groups – can **apply for funding from £100 to £700** to put ideas into action.

You don't have to come from an existing organisation to apply for this fund but **all activities will have to happen in the Hilton area and benefit local people.**

How do you apply?

To apply for the funding you must return this form before **5pm Tuesday 31st January 2017**. If your idea fits, the public will get to vote for their favourite ideas at an event on **Saturday 11th March 2017, 10:30am – 1:00pm.**

Event

The event will be held at Cauldeen Primary School, Inverness doors open at 10am. At the event you will be required to present your idea to the community. Those in attendance will then vote on all the applications and a decision will be made on the day

Who will decide which projects are funded?

Local people will be invited to come along to the event to hear about the projects and then will be asked to vote to determine which projects are funded.
