Dear Sir

LOCAL PLANS CONSULTATION – EASTERFIELD, INSHES, INVERNESS

I act for the owner of Easterfield (outlined and hatched red on the attached plan) and wish to propose that this land be included in the next Inverness Local Plan for limited development subject to appropriate screening between the site and the A9 trunk road.

Sensible development of this land would result in infill between existing peripheral housing and the city and would afford the opportunity for detached housing on large plots of land which are not presently provided for under the current Local Plan. This site would be ideally positioned for such development and would indeed be similar in A9 proximity to existing properties immediately to the south of the site.

Please do not hesitate to contact the undersigned should you require any further information or wish to discuss any matters in this regard.

Yours faithfully

Michael Gillespie
 Director
