</table>
Dear Parents/Carers,

We are a large six year non-denominational secondary school serving a large urban and rural catchment area covering the area to the east of the River Ness in Inverness and the rural areas of Moy, Daviot and Tomatin south of the City. Our Associated School Group (ASG) catchment schools include Crown, Daviot, Drakies, Inshes, Milton of Leys, Raigmore and Strathdearn Primary Schools. We currently have a significant number of pupils from out-with the catchment by placing request (parents wishing to request places at Millburn should contact the Area Education Office at Highland Council HQ, Glenurquhart Rd, Inverness, Tel 01463 702074).

Pupils who attend the two denominational schools in the City - St Joseph's and Bishop Eden Primary Schools - will normally come to us for their secondary schooling if they reside within our catchment area. At the time of printing the school roll is 1121 pupils with approximately 145 in S6. We anticipate a capped roll of 240 in S1 & 210 in S2 for session 2019-20.

Here at Millburn Academy we aim to support your child's educational achievement in the widest possible sense. Whilst academic qualifications remain at the heart of our daily work your child's physical, emotional and spiritual well-being are equally important.

We are proud to be able to offer a vast range of academic subjects and courses at present in very challenging economic times for schools. These courses are provided in two stages. S1-S3 - the broad general education stage builds upon knowledge and skills developed in primary school and prepares young people for the senior phase where preparation for external examinations at National (1-5), Higher and Advanced Higher levels is the main focus.

The extensive range of curricular and extra-curricular opportunities offered is due to the significant enthusiasm and commitment shown by a range of teaching and support staff within in the school. These opportunities provide contexts in which young people can develop skills, knowledge and personal qualities which will equip them well for coping in an ever changing world of learning and work beyond school.

Research shows that achievement for all pupils is more likely where effective partnership working exists between the school, parents and pupils and the range of partners involved in enhancing and supporting learning and well-being. Pupils are expected to be focussed and committed to their learning and to make the most of the opportunities available to them both in school and in their local community.

To this end, pupils are well supported by committed teaching and support staff who aim to provide prepared and appropriate learning. We aim to engage with pupils and their parent/carers in reflecting on our work and in sustaining and improving as appropriate.

We look forward to working with you and your child during the time they spend here at Millburn Academy. We aim to provide the best experiences possible with the resources available to us, working collaboratively with Health & Social Work Services to take account of your child's needs.

This prospectus provides information about our school. If you have any further queries, please contact us on: 01463 729152 or email millburn.academy@highland.gov.uk. If you have any concerns or complaints please contact me or the appropriate member of staff as indicated in our complaints leaflet.

Yours sincerely

Mr J Croall
Rector
HISTORY OF MILLBURN ACADEMY

Millburn Academy opened for pupils in August 1961, although at that time it was known as Millburn Junior Secondary School.

In its early years Millburn Junior Secondary School catered for pupils in the first three, and later four, years of secondary, but in 1967 the school name was changed to Millburn Secondary School, showing the direction in which the school was developing.

For a period after 1967 the introduction of comprehensive education meant that Millburn Academy accommodated all pupils on the east side of Inverness for the first 2 years of their secondary education, after which the more able transferred to Inverness Royal Academy to continue their education while the others remained at Millburn Secondary School.

In 1967 the school was renamed as Millburn High School for a short time, but after pressure from parents it was re-designated as Millburn Academy.

The arrangement with Inverness Royal Academy ended in 1977 and from 1979 Millburn Academy could concentrate on being the sixth year secondary school for the catchment area - Crown, Drakies, Raigmore, Moy, Daviot and Raigbeg Primary Schools, including pupils living in the area who attended Bishop Eden Primary School and St. Josephs R.C. Primary School. Through the 1980s the school developed into a six year secondary.

THE SCHOOL BADGE

The school badge was originally designed by the late James Cameron, the first teacher of Art in the school, and 2005 saw a revision of his design as part of an initiative on school uniform. Nevertheless, the elements which comprised the original design have been retained.

The Torch - the traditional symbol of learning.

The Mill Wheel and Water - a reminder of the mills which operated on the Mill Burn. The remains of the foundation of one mill can be seen just above Diriebught House.

The Eagle - the traditional symbol of St. John. It is believed that a Chapel of Ease organised by the Order of St. John existed in the vicinity at one time.

The Motto - "Strive to Achieve" was adopted by the original staff of the Academy when it opened in 1961.
Vision: Millburn Academy aims to develop resourceful, resilient, flexible and autonomous learners able to contribute productively to the 21st Century world.

CURRENT AIMS OF THE SCHOOL

- To recognise and develop as fully as possible the academic potential of all pupils by providing them with a broad balanced curriculum suited to their age, abilities and aptitudes.

- To recognise and encourage the emotional development of all pupils by creating an atmosphere of diligence, tolerance, co-operation and mutual respect.

- To promote health and well-being throughout the school community.

- To maintain good lines of communication within the school and between the school and home.

- To encourage links between the school and the wider community.

Millburn Academy will be a school which –

- Has high expectations of pupils and staff in all they do

- Endeavours to provide an excellent quality of learning and teaching care, welfare and support.

- Presents a welcome, safe and happy environment.

We will foster respect, responsibility and resilience in our pupils.

We aim to:

1. Provide a place of continuing education within which each pupil will participate in a range of learning opportunities designed to develop the basic skills, knowledge and understanding required by contemporary society.

2. Ensure that each pupil has an awareness of the possibilities available to her/him within society and the responsibilities required by society of her/him.

3. Develop an atmosphere in which self-discipline and awareness of and responsibility to other will flourish.

4. Develop a cohesive structure of courses and activities that will allow different needs, abilities and skills of pupils to develop to their fullest extent and encourage students to make reasoned decisions for themselves.

5. Maintain effective communication and development partnerships with parents concerning the progress of individual pupils and of the school.

6. Provide a secure and happy environment within which staff and pupils can work together to achieve their aims.

7. Maintain effective staff development for all staff working within the school. We aim to develop leadership and partnership at all levels in working collaboratively and collegiately.
8. Actively promote a healthy approach to lifestyle.

9. Provide a high quality secondary education through fostering personal development, health and fitness, encouraging equal opportunities and seeking continuous improvement in academic attainment at all levels, whilst recognising achievements in all areas.

10. Involve staff, parents and pupils in our quality assurance systems which are based on effective self-evaluation.

Our school aims support the Highland Council vision for children i.e. that we aim to ensure that all children are:

- Safe – protected from abuse, neglect and harm by others at home, school and in the community.
- Healthy – having the highest attainable standards of physical and mental health, with access to suitable healthcare and support for safe and healthy lifestyle choices.
- Achieving – being supported and guided in their learning and in the development of their skills, confidence and self-esteem at home, at school and in the community.
- Nurtured – having a nurturing place to live, in a family setting with additional help if needed or, where this is not possible, in a suitable care setting.
- Active – having opportunities to take part in activities such as play, recreation and sport which contribute to healthy growth and development, both at home and in the community.
- Respected and Responsible – children, young people and their carers should be involved in decisions that affect them, should have their voices heard and should be encouraged to play an active and responsible role in their communities.
- Included – having help to overcome social, educational, physical and economic inequalities and being accepted as part of the community in which they live and learn.

We value:

- Learning
- Respect
- Responsibility
- Community

We foster the national values:

- Wisdom
- Integrity
- Justice
- Compassion
PROMOTING POSITIVE BEHAVIOUR (Under review)
At Millburn Academy we do not have a detailed and definitive list of school rules. Instead we have clear expectations of how pupils should conduct themselves in and around school.

Striving to Achieve in Millburn Academy

Aim High with attendance and punctuality
☑ Arrive in class on time

Commit Yourself
☑ Work hard and be focused

Help yourself and others by behaving well
☑ Switch off and put away personal electronic equipment
☑ Follow instructions willingly

Include Yourself
☑ Follow the Millburn dress code
☑ Jackets off at the start of each lesson

Ensure Your Success
☑ Have all equipment ready for each day
☑ Complete work on time and meet deadlines

Value People and Property
☑ Show respect to others and property
☑ Put all litter in bins; recycle when you can
☑ Eat only during interval and lunch break in the dining area
☑ Drink only water in classrooms when permitted by the teacher

Enjoy School
☑ Be treated with politeness and consideration and treat all others with courtesy and respect
THE SCHOOL DAY

Unlike primary school, pupils have different rooms for different subjects and have to change rooms from time to time in the course of the day according to a timetable issued on the first day in the school.

MILLBURN ACADEMY STAFF

The School Leadership Team (SLT) of the school consists of the Rector and four Depute Rectors.

There are 12 subject areas for which a Principal Teacher is responsible.

The care and welfare of pupils are the responsibility of five Principal Teachers of Pupil Support.

There is also a Principal Teacher of Additional Support Needs which includes Support for Learning.

PUPIL SUPPORT (GUIDANCE)

The Pupil Support Pastoral Team, consisting of five Principal Teachers, is responsible for the care and welfare of pupils in the school. They are line managed by the Depute Rector, Miss Sinclair.

The Pupil Support system is linked to class tutor groups with individual Pupil Support teachers having responsibility for a number of groups. A pupil will remain in the charge of the same Pupil Support Teacher throughout their school career and as far as possible members of the same family are allocated to the same teacher.

The Pupil Support teacher is the person on hand who deals sympathetically with individual problems, curriculum difficulties or vocational guidance and time is set aside to allow for individual interviews with pupils and/or parents. They may also contact parents regarding behavioural and progress concerns.

As Pupil Support staff have teaching commitments, parents seeking interviews are asked to arrange an appointment by contacting the school office.

Pupils should also feel free to seek advice from any member of teaching staff regarding their child’s progress.

Pupil Support staff are the normal first line contact for parents wishing to discuss any matter concerning their child(ren). However, parents, if they so desire, may raise any matter directly with the Rector but, unless there is extreme urgency, it is greatly appreciated if appointments to see the Rector are requested by telephone or letter beforehand.

PERSONAL DEVELOPMENT

All pupils follow a programme of Personal and Social Education – PD – from first year through to sixth year. These programmes will be available on the school website each session (currently under review).

This programme addresses many issues with particular emphasis on careers and health education. Sex education, relationships, sexual health, parenthood and drugs awareness are addressed as part of the health education programme and information on the issues covered and the materials used are available to parents. The programme in all years includes many visiting speakers.

It is also acknowledged that many of the issues identified in the PSE (personal Development) curriculum are addressed in the wider curriculum as appropriate to context. Parents can request that their child not attend classes covering specific topics in PD – please contact your child’s Guidance Teacher or Year Head.
THE CURRICULUM
In common with other Scottish schools we are implementing a Curriculum for Excellence. The S1 pupils who started in August 2010 were the first cohort to embark on our new framework. Pupils study subjects in eight curricular areas, Languages, Mathematics, Science, Technology, Health and Wellbeing, Expressive Arts, Social Studies and Religious and Moral Education.

S1 - Pupils experience a broad general education covering subjects within the eight curricular areas. Interdisciplinary projects, which will provide real contexts for learning and skills development may feature in S1/S2. Pupils in S1 have enhanced personal support for learning via the S1 Learning Skills unit.

S2 - As S1, allowing pupils to build on strengths and develop interests. Some curricular choice will be introduced at the end of S2 with six option choice columns plus English and Mathematics for S3.

All S1, 2 and 3 pupils follow core courses in Religious and Moral Education, Personal Development and Physical Education.

ASSESSMENTS AND REPORTING TO PARENTS
As a school, we seek to provide information to pupils, parents and staff to assist in the effectiveness of learning and teaching process and in raising attainment.

Teachers will use the assessment process as an evaluative, diagnostic and formative tool to provide evidence of pupil attainment and progress and to inform learning and teaching approaches and pupil targets.

Pupils should view the assessment process as a motivating experience which takes place within the overall context of a supportive school. Pupils should make use of feedback, in all its forms to inform next steps for the improvement of their own learning.

Parents will receive feedback on their child’s progress through pupil reports, progress checks, and target setting information.

Pupils will reflect on their progress, achievement and best work on their e-portfolio through key adult conversation appointments.

Parents wishing to enquire about a pupil’s progress are invited to get in touch with their child’s Guidance Teacher or Year Head in the first instance.

MAIN ANNUAL REPORT

S1/2 The Annual Report allows all departments to comment in terms of progress in the subject and also provides indicators in respect of homework and effort relative to the age and stage of the pupil and to the recognised potential. The grades are supplemented by a general teacher comment. The comments reflect the outcomes of continuous assessment undertaken throughout the course. The S1 report is issued in May and the S2 report in March.
S3/S4

This Annual Report allows all departments to comment in terms of progress and performance in the subject while providing indicators in respect of homework and effort. The grades are supplemented by a general teacher comment. The S3 report reflects the continuous assessment which is integral to Standard Grade, while the S4 report will also reflect on the "prelim" exam as the source of grades for performance. Teacher comments are also provided along with indicators referring to effort and homework. The 3rd year report is usually issued during April, with the 4th year report appearing in February.

S5/6

In senior school the vast majority of 5th and 6th year pupils follow Higher and Intermediate level courses for which the reported assessment is largely based on a pupil’s progress and performance in course units and a 'prelim' examination. While information about performance in course units will be provided at appropriate times during the session, the Annual Report also indicates performance in the ‘prelim’ examination. This ‘prelim’ exam reflects in assessment style of the final certificate examination. This report is issued at the beginning of March.

Points to note:
- A Reporting and Parents Evening Calendar can be found on the School website.
- During each session, and at a different time to the issue of reports, Guidance staff initiate a 'trawl' of subject departments to identify pupils whose progress or behaviour is causing concern. Parents are advised of any significant problem.
- The S3 and S5/6 Parents Evenings are now separate from Reports to allow parents a further opportunity to discuss their child’s progress with teachers.

We hope to replace the annual report with regular progress updates. Parental feedback on reports is always welcomed. Pupil feedback and reflection on progress is extended at all stages.

PUPIL REPORTS

Pupil reports are issued annually for all pupils in S1-S6, although individual reports can be requested at any point by parents.

PARENTS’ EVENINGS

Parents’ evenings are held once a year for the parents of each year group and parents are urged to meet their child(ren)’s subject teachers to discuss their progress and performance. We hold Information Evenings for parents of S2 pupils, S4 pupils and S5/6 pupils regarding curriculum and pupil option choice processes, and on a range of other topics as required. Please contact the Rector if you wish to suggest a topic.

INDIVIDUAL PARENTAL REVIEWS

Individual parental interviews are available for any parent who wishes to speak with any member of staff at a time other than the designated parents’ evening. Any request for such interviews should be made through the Rector or Year Head in the first instance.
PARENTAL CONCERNS / COMPLAINTS
Parents should contact their child’s Guidance teacher with concerns about their child’s welfare or progress. Parents with complaints about any aspect of the school should contact the Rector by letter, telephone or e-mail. An information leaflet regarding the complaints procedure is available from the School reception. This can also be found on the School website.

ALLOCATION TO TEACHING GROUPS IN S1 AND S2
Each pupil in S1 and S2 is placed in a teaching group and a practical section, for classroom subjects and practical subjects respectively. The pressure on places at the school means that teaching groups tend to number around 30 pupils, while practical sections are normally at their maximum of 20 pupils.

Decisions re class composition are made using information received from primary staff and parents. It is not always possible nor in the best interests of pupils to place friends in the same classes.

TUTOR GROUPS
Pupils are registered each day in a House tutor group. This means that they will be allocated to a class for registration with pupils from their own year group.

RELIGIOUS OBSERVANCE/WITHDRAWL
We support the awareness raising, understanding, acceptance and tolerance of all faiths in our school through our assembly programme, PD and RME classes. Arrangements will be made for pupils whose parents do not wish them to participate in religious observance/awareness. Parents should write to the Rector clearly expressing the grounds for removal.

LANGUAGE LEARNING IN MILLBURN ACADEMY
Fluent Gaelic speaking pupils normally transfer to the Gaelic Hub in Inverness Royal Academy for their secondary schooling. Parents can request places in the Gaelic classes at the Royal Academy by contacting the Area Education Office at Highland Council HQ in Glenurquhart Rd, Inverness or telephone 01463 702074.

In Millburn, where staffing permits we normally offer Gaelic as an option to pupils in the broad general education phase (S1-S3) and as appropriate and possible, in progressing toward National qualifications in the senior phase (S4-6).

Parents of pupils in P7 will be contacted re language study on entry into Millburn.

As per national expectations, we are currently reviewing our curriculum provision in relation to the 1 plus 2 languages initiative. Further information will be provided in due course. This will however be dependent upon available staffing resource and will follow parental consultation.
MILLBURN ACADEMY UNIFORM

The Millburn Academy School Uniform is the result of extensive consultation with both parents and pupils. The wearing of school uniform has been endorsed by previous School Boards, the current Parent Council and the parent/teacher association, M.A.F.I.A. Successful pupils wear school uniform because:

- They are proud of their school and are keen to be seen to belong.
- It shows they are committed to the aims and activities of the school
- They find it comfortable and appropriate for working in classes.

Uniform of Choice:
- Black or white tee/polo shirt with the Millburn logo
- Black or white shirt with school tie
- Black sweatshirt or fleece with the Millburn logo
- Black trousers or skirt, or a tartan skirt specially chosen by Millburn Academy girls.
- Appropriate footwear.

Please note: Denim jeans, tracksuit bottoms must not be worn. Leggings can only be worn with a skirt, not as trousers.

To develop the identity of and make them stand out as seniors, pupils in S5 and S6 can wear:

- Black Blazer with Millburn badge
- White or Black shirt with school tie
- Black trousers or skirt

All items of uniform are available from the Highland Schoolwear Shop on Academy Street, Inverness or from Gilmour Sports on Harbour Road, Inverness.

An application form to apply for Assistance with School Clothing and Free School Meals can be obtained from the school office.

ATTENDANCE/ABSENCE/HOLIDAYS DURING TERM TIME

Good attendance is vital if pupils are to achieve their full potential.

All parents are required to ensure that pupils attend school regularly and that pupils are not absent unnecessarily from school.

All absences from school for any length of time, or requests to leave school for any part of the school day, must be supported by a note of explanation to go to the class tutor written and dated by a parent or guardian. Email contact is welcome in this regard – millburn.academy@highland.gov.uk as is a telephone call to the school on 01463 729152.

If, during school hours, a pupil has to keep an appointment (e.g., with the dentist or doctor), he/she must first report to the school office in order to sign out of school. On returning to school he/she must also sign in at the school office. These pupils should be able to provide evidence of their appointment (e.g. note from parent, dentist’s card in order to sign out of school).

If pupils fall ill during the day, parents are contacted to collect their child, therefore it is essential that we have up to date daytime contact numbers and emergency contact numbers for all pupils.
Schools are required to keep an attendance register by law. We have a responsibility for the care and welfare of all pupils during the school day therefore need to know the whereabouts of absent pupils.

Whenever possible parents are asked to contact the school on the morning of the first day of absence to explain the absence, but if an absence extends to more than 3 days and no explanation has been received, official enquiries may have to be set in motion including police/social work contact.

In the case of truancy or absence from school without justifiable reason the matter can be referred to the Area Education Manager, who may seek the prosecution of parents. Pupils may also be referred to the children's panel for persistent truancy.

Recent years have seen an increase in the number of pupils being withdrawn from school during term-time for family holidays and parents are urged to keep such avoidable disruption of their child(ren)'s education to an absolute minimum. For pupils following a Higher Still course, both at Higher and Intermediate level, a 2-week family holiday during term-time could mean up to 25% of the course work of a unit being lost and critical assessments being missed. Instructions received from the Scottish Executive will result in absences caused by term-time holidays being recorded as 'unauthorised' (the equivalent of truancy as far as statistics are concerned). Please note that the school cannot grant permission for holidays during term time. Staff are not required to provide work for such holidays but may on occasion be willing to provide work.

When parents are considering whether or not to remove their children from school for a family holiday, they should be aware that such a decision:

- will result in a significant loss in classroom experience;
- will result in a pressure to 'catch up' on missed work by pupils;
- could result in pupils missing assessments with consequential impact on pupils and teachers;
- could result in the loss of curricular activities;
- will affect school attendance records and efforts to raise standards of attendance;
- under the guidance issued at a national level, most family holidays will be coded as 'UPH' (unauthorised parental holiday), only in exceptional cases will the absence be recorded as authorised.

In conclusion, we would ask parents to be aware of these considerations when making decisions on planning holidays during term time. We have enclosed a link to the school term dates on the Highland Council website to aid parents in planning any holidays they may be considering: [https://www.highland.gov.uk/info/878/schools/32/school_term_dates](https://www.highland.gov.uk/info/878/schools/32/school_term_dates) If parents decide to make holiday arrangements during school term, this should be confirmed in writing to the Rector.

**LATECOMING**

Pupils who arrive in school after 8.40 am should proceed to their class where they will be marked present, but late, by their class tutor. Pupils who arrive after 8.50 am must report to the school office as they will have been marked absent by their class tutor. When pupils are persistently late parents will be informed and invited to school to discuss solutions. Afterschool detention and community service activities may be used to emphasise the need for appropriate timekeeping.
PARENTS/GUARDIANS/CARERS AS PARTNERS

We believe that much of the strength of the school lies in the positive relationships between staff, pupils and their parents. These relationships must be nurtured by a healthy exchange of information between teachers and pupils, between home and school. We always welcome parental interest in the welfare of our pupils. Whatever the nature of the issue, you can be assured of our help.

The school works very hard to keep parents informed regarding their child’s progress and any key decisions being made about their education. This includes:

- Parents’ evenings
- Tracking & Monitoring Reports
- Progress checks
- Target Setting
- Course choice/Options evenings
- Information on the school website/facebook/twitter/text/schoolbag mail

The support of parents in their children’s education is key to the success of young people. Taking time with them, discussing work, practicing language, helping them manage their homework and encouraging responsibility are important ways of supporting children’s learning.

The school always seek to involve parents in any key decisions about their child’s education and keep parents informed about progress.

Parental information is obtained from questionnaires issued regularly at Parents evenings and from Parent Forums.

A member of the Senior Management team is in school most evenings for parents to contact with any issues.

Useful information for parents and how to get involved in your child’s education, how to support the school, information on curriculum developments can all be found at Parentzone: https://education.gov.scot/parentzone/

CHANGE OF HOME CIRCUMSTANCES

Please keep the school informed of any change of home circumstances to help us play our part in the care and welfare of your child in school. We need to know about:

- Change of address or name
- Change of telephone / mobile numbers
- Change of emergency contact
- Change of doctor.

Please notify the school in writing of any changes. It is also important that the school is aware of any relevant medical or domestic situation. Please telephone or write to your child’s guidance teacher. Confidentiality will be respected.

We would like to send information directly to all parents by email where possible. Please provide this information when your child enrols at Millburn Academy.
PLACING REQUESTS – PARENTAL CHOICE
Each school serves its own particular catchment area. Pupils whose homes are located in that area will have priority in being allocated a place in the school. However, parents have the right to specify the school in which they wish their child. Application must be made to Mrs Sandra Breach, Early Years Officer – South, Headquarters, Care & Learning, Glenurquhart Rd, Inverness – Tel 01463 702074. Placing request forms can be obtained from

http://www.highland.gov.uk/info/878/schools/11/school_enrolment/2

Transportation to and from school, for placing request pupils, is a parental responsibility. If pupils live out-with the school catchment area and their parents wish them to attend Millburn Academy they can contact the Rector to arrange a visit.

Parents of children with additional support needs, (including those that have Coordinated Support Plans) can make placing requests to any school in Scotland including schools outside of the local authority area they live in. All appeals about placing requests to special schools will be referred to the Additional Support Needs Tribunal.

TEXT BOOKS/JOTTERS
Textbooks and jotters are expensive and should where possible be covered with strong paper to protect them in order to prolong their useful life. The pupil’s name, class and teacher should be written clearly on the cover. Any pupils responsible for the loss of a textbook (or any other article of school equipment) will be held liable to pay the full replacement cost. Many departments also provide additional resources via the school website. Pupils and parents are urged to make full use of such resources and support.

HOUSE POINTS SYSTEM
The school currently operates a House Points scheme for pupils. The scheme has proved to be very popular with pupils and is designed to allow recognition and reward for good behaviour, positive attitudes and good effort. Having earned a specific number of house points (which are retained in the school electronic system) the pupil will be presented with a Bronze Certificate; progressing to Silver and Gold certificates when sufficient points have been earned.

Inter-house competitions and events are often organised by senior pupils and some staff with trophies awarded.

Millburn is divided into five Houses, Ashie, Farraline, Garth, Moy and Ruthven each led by a Principal Teacher of Pupil Support. These Houses divide the school into five groups of approximately 230 pupils from years 1 to 6. The Houses contribute to a sense of belonging and give opportunities for leadership at all stages. The emphasis is on participation, fun and friendly competition through inter-house competitions and activities.

Each House usually has two Captains and two Vice Captains who help organise and run events, encouraging participation and helping foster good relationships across the years. These posts will be decided through application and interview. The combined group will form the Pupil Leadership Team including prefects.
CELEBRATING ACHIEVEMENT

Pupils are expected to work to the best of their ability in all classes, activities and events. Where this is recognised by the class teacher, praise, written feedback, house points and in the format a positive record entry made on the school information management system are used. House point totals lead to Bronze, Silver and Gold certificates as appropriate.

The school also publicises pupil success via our own website, in pupil daily notices, year group assemblies, on the achievement noticeboard, on our Facebook and Twitter pages and where possible in the local press. Progress, subject achievement and citizenship are also celebrated at annual award ceremonies.

EXTRA CURRICULAR ACTIVITIES

Millburn can be justly proud of the extra curricular activities available at the school but the extent to which we can offer such a wide range of extra-curricular activities depends largely on the enthusiasm and good will of individual teachers and helpers. Our Active Schools Co-ordinator Tim Allan, plays a valuable role in organising and supporting many of the activities available either at lunchtime or after school. It is a great strength of the school that so much is on offer and also that so many take part.

Millburn Academy’s extra-curricular sporting activities includes Football, Hockey, Rugby, Badminton, Athletics, Basketball and Ski-ing. Non-sporting activities include Scripture Union, Debating, Drama and Music. The emphasis is very much on participation for its own sake but where teams, groups or individuals have been involved in competition over the years the school has many successes to its credit.

During the year educational excursions to places at home and abroad are also organised from time to time. Information about trips is made available as the visits are planned. A notable success in the extra-curricular life of the school is the annual first year field trip which in recent years has taken almost everyone in first year to Badaguish for two days.

EDUCATION MAINTENANCE ALLOWANCES (EMA)

If you are 16 to 19 years old, in a school or college, and come from a low income household you may be eligible to receive financial assistance from an Education Maintenance Allowance (EMA).

EMA is a weekly allowance of £30 per week payable during term time.

To be eligible, your family household income must be less than:

- £24,421 - for households with 1 dependent child
- £26,884 - for households with 2 or more dependent children

You must have a current signed learning agreement and you must adhere to the conditions of the learning agreement.

A new learning agreement has to be completed each academic year, and if you don’t comply with your learning agreement, the allowance could be taken away.
Young adults attending college or university should apply direct to the College or University. For further information about EMA for young adults attending college or university, please contact the college or university direct.

Further information on full eligibility criteria and application forms can be obtained from the school. [https://www.highland.gov.uk/directory_record/20782/education_maintenance_allowance](https://www.highland.gov.uk/directory_record/20782/education_maintenance_allowance)

**PERSONAL BELONGINGS OF PUPILS**

Articles of clothing which are easily lost should have clearly marked name labels. **Under no circumstances should money or valuables be left in any classroom or social area.** Responsibility for the care and security of pupil property lies with the pupil as it is impossible for the school to undertake long searches and investigations.

The school office holds valuable articles found in the school and the FMA's (janitor's) hold articles of clothing left in the school. Pupils who lose articles in school should check if their property has been handed into either the office or the head janitor. Articles unclaimed after a period of six months are disposed of. It would be helpful to have school uniforms labelled with the pupils name.

Computers, hand held games and devices, mobile phones **should not be used** in school unless with the express permission of class teachers. We cannot be responsible for the loss of items not in the care of staff.

**TRANSPORT TO SCHOOL**

Pupils living within the catchment area of the school, at a distance of 3 miles or more from the school, are entitled to free transport and season tickets are issued for service buses by the Highland Council.

These tickets are issued automatically for pupils transferring from primary school, but pupils joining the Academy from other areas should apply to the school office for an application form.

Pupils living more than 3 miles from the school, but who are the subject of a placement request by their parents, are not entitled to free transport.

Season tickets must be kept carefully and, if lost, a charge for replacement may be made. Season tickets must be shown to any bus official or teacher on demand.

Pupils who do not behave appropriately may have the right to travel on school transport withdrawn.

**BICYCLES**

Cycle sheds are provided for the parking of bicycles at the owner's risk. It is recommended that all bicycles are padlocked, even in the secure areas.

It is emphasised that neither the school nor the education authority is responsible for damage caused to bicycles parked in the school. If there is malicious damage, the school will assist in identifying those responsible, but any further action in respect of compensation for damages must lie with parents.

Parents are asked to ensure that bicycles are all fitted with front and rear lights (especially during the winter months) and that cyclists wear helmets at all times.
SCHOOL LIBRARY
The school library is situated near the front entrance in bright, modern surroundings and is a major resource for the school.

In addition to opportunities to visit the library during classes, the library is open for pupil loans at morning intervals and at designated times for year groups as detailed by the Librarian. Pupils should be aware that books damaged or lost have to be replaced by the borrower. In addition to its book lending facility, the library is also available as a source of reference material, and careers information. Computers are available for pupil use.

Parents are welcome to support access to the library at various times by volunteering to support library staff. Please email the school if you are interested.

HEALTH PROMOTING SCHOOL
As a health Promoting school we also encourage pupils, staff and parents to think about healthier lifestyles. S1 pupils are encouraged to set Health Targets. Healthy living is a regular topic in classes. We have a School Travel Plan which promotes safe and healthy routes to school. Staff take part in health promotion activities. We value all the activities that make up a healthy and happy community.

BREAKFAST CLUB
Pupils and staff can have a breakfast from a wide ranging menu at a subsidised rate from 8-8.30am each morning.

SCHOOL LUNCHES
A cafeteria system is operated by the school meals service whereby pupils can purchase either a snack or a traditional 2-course meal. The charge of a 2-course meal is approx. £2.55 for pupils. School lunches offer quality food, healthier meals, good portion sizes and a range of choices. If a pupil has special dietary needs, please inform the school. Pupils can only buy food with a 'Smart' card, onto which they can 'load' money via machines in the school. Pupils are shown how to use the system.

For pupils who prefer to bring their own sandwiches, etc., provision is made for them to take their meals in the dining-hall.

As a health promoting school we also encourage pupils, staff and parents to think about healthier lifestyles. S1 pupils are encouraged to set Health Targets. Healthy living is a regular topic in classes. We have a School Travel Plan which promotes safe and healthy routes to school. Staff take part in health promotion activities. We value all the activities that make up a healthy and happy community.

Free meals can be claimed in certain circumstances, for information and an application form please see http://www.highland.gov.uk/info/899/schools-_ _grants_and_benefits/10/free_school_meals_and_assistance_with_clothing

Parents are responsible for pupils who decided to go out-with school grounds at lunchtime.
ADMINISTRATION OF MEDICINES
Staff will only administer medication when there are clear written guidance from parents on:
- The name of the medicine
- Quantity of the medicine to be given
- The time it has to be given

Prescriptive medicine should be given at home by parents.

MINOR INJURIES
School will only deal with minor cuts and bruises, these will be cleaned and a plaster applied.

INJURY OR ILLNESS
In the case of a child being injured at school, it is our practice to arrange, where necessary, for the child to be seen at the Casualty Department of Raigmore Hospital and, where possible, for the parents to be informed immediately.

In the case of children feeling unwell at school, they are only sent home after contact has been made with the Year Head and then the parents.

Where both parents are working, parents are advised to keep the school informed through the school office of any change of employment in order that they can be contacted without delay in a case of emergency or illness.

MENTAL HEALTH AND WELLBEING
Staff will support the emotional development and wellbeing of pupils through formal and informal curricular activities. Any concerns about a pupil's wellbeing can be discussed with the named person. School have access to Highland Council's Primary Mental Health Worker Service and consultation and advice may be sought if there are concerns that might require more targeted support. Parents should always be involved in discussions beforehand and this step would only be taken with full consent from parents and (where appropriate) the pupil themselves.

EARLY CLOSURE OF SCHOOL / ADVERSE WEATHER ARRANGEMENTS
It is usually possible to inform pupils of any early closure, at least one day before. In some circumstances this may not be possible and parents should ensure that pupils know precisely what to do should they be dismissed early from school.

Highland Council has established a telephone messaging service about school closures in adverse weather. To access information about Millburn Academy first dial 0800 564 2272 and then enter the school's pin number when prompted - 041170. There is also an information website http://www.highland.gov.uk/schoolclosures. This website may also be accessed on the main Highland Council website. In addition, Moray Firth Radio issues regular updates on school closures or www.mfr.co.uk.
**BULLYING / CYBER BULLYING / ANTI-RACISM**

Allegations of bullying of any kind are taken seriously and fully investigated. The Highland Council has produced Revised Anti-Bullying and Anti-Racism Guidelines and produces along with guidance on dealing with Cyber-bullying. We will follow these guidelines and they are available to parents on request, but are available on the school website.

The school will not accept bullying of any kind. Action is always taken when issues are known. This may include the full range of sanctions available to the school from support/counselling to exclusion. Pupils and parents are urged to report concerns at the earliest opportunity. Guidance/Pastoral Support staff or Year Head's will normally feedback to parents when concerns are raised.

**CHAPLAINS/PARTNERSHIP WORKING**

Partnerships with denominational bodies:
The school has links with several churches and organisations within the community and often invites speakers from wider afield. Local religious and community leaders for example lead assemblies and Chaplain Assemblies on a planned calendar basis explaining a range of moral and spiritual themes.

**LEARNING PARTNERSHIPS**

Millburn Academy staff are very keen to deliver learning experiences which develop personal skills and qualities which prepare pupils for life in and beyond school.

Skills for learning, life and work are developed across the curriculum, often making use of business, academic and community partners to support and enhance the relevance of classroom learning. We have strong links with UHI/Inverness College and various University partners to support wider course options and preparation for transition to College and University.

Pupils benefit from excellent local business support in advising re careers options and in providing work experience opportunities for pupils nearing their school leaving date.

**PARENT COUNCIL**

Parent Council is a group of parents elected to represent all parents of children at the school. Any parent who wishes to raise an issue for the Parent Council to consider can do so by contacting Mr Ian MacDonald, C/O Millburn Academy, Diriebught Rd, Inverness.

The Parent Council, which replaces the School Board, comprises approx. 15 parents including the Chairman. This body of parents work with the school to support other parents, pupils and staff, in developing positive relationships among the whole school community, meet approximately once per term. They will be responsible for reporting back to the Parent Forum. (All parents of pupils in the school), normally via minutes on the school website.

Useful information for parents and how to get involved in your child's education, how to support the school, information on curriculum developments can all be found at Parentzone: http://www.educationscotland.gov.uk/parentzone/

**Millburn Academy Friends in Action (MAFIA)**

MAFIA has been established by an enthusiastic group of parents and friends of the school with a view to raising funds for the school. Over recent years many tens of thousands of pounds have been made
available to the school through the efforts of MAFIA. This is a very active group and parents are encouraged to become involved as a good way of participating in the life of the school. The Chair of M.A.F.I.A. is Mrs Emily Stokes.

CONTACT WITH PARENTS
The school welcomes the involvement and interest of parents in the progress of their children and in the life of the school generally. There are a number of ways in which this contact is encouraged, both in respect of individual pupils and of the corporate life of the school.

SHARING SCHOOL NEWS
News is shared via school daily notices, the school website and via Facebook and Twitter pages. Occasional School newsletters are issued during the session and along with letters on specific subjects. These are published on the School website unless paper copies are specifically requested.

SCHOOL POLICY DOCUMENTS
The school publishes policy documents from time to time on various aspects of the organisation and life of the school on such things as homework, assessment, reporting and discipline. Copies of these policy documents are available to parents on request at the school office. These are being included on the school website for easy access.

Please note that policy documents are reviewed on a regular basis. Parents interested in being included in this process should contact the Rector.

SCHOOL LEAVING DATES AND ARRANGEMENTS
Pupils whose sixteenth birthday falls on or between 1st March and 30th September are eligible to leave school on 31st May of that year and may leave on that date. Pupils whose sixteenth birthday falls on or between 1st October and the last day of February of the following year are eligible to leave school on the first day of the Christmas holiday, and may leave on that date. Every pupil on leaving the school, whether having reached their statutory leaving age or because they are moving to another area, should complete a leaver's form and return it to the school office.

We aim to ensure that all leavers move on to positive sustained destinations. Parents should spend time with their child looking at the World of Work website – [http://www.myworldofwork.co.uk](http://www.myworldofwork.co.uk) Please keep the school informed about achievements beyond school wherever possible.

CAREERS INFORMATION
Opportunities for All is a commitment by Scottish Government to offer a place in learning or training to every 16-19 year old who is currently not in education, employment or training. Highland Council has a lead role in respect of Opportunities for All whilst young people are still in school. The long-term aim is to enable all young people to access and progress in learning and to equip them with the skills to participate and progress, where possible into eventual employment.
During their time at Millburn Academy all pupils will participate in a planned programme of careers education delivered by a range of people including Guidance staff, school Librarian and representatives from Skills Development Scotland. At key stages such as option choice decision-making, most staff will be involved in making recommendations or giving general advice. We rely on the good links between home and school to ensure that through dialogue, the most appropriate decisions for individual pupils are arrived at.

There have recently been significant changes in the operation of Skills Development Scotland in terms of working in schools and the overall emphasis is now on career planning. The strategic aim of Skills Development Scotland is to equip individuals with the skills to make well-informed, realistic career decisions throughout their working lives. Specialist careers staff can offer services in various ways that will allow the pupil flexibility while helping the careers staff to differentiate levels of service according to need:

- **High priority** pupils are those identified as not likely to make a smooth transition from school to further/higher education, training or employment
- **Medium priority** are those not at risk but nevertheless requiring career planning support
- **Low priority** are pupils able to self-help

The key SDS Careers Adviser linked to Millburn Academy is Ms Lorraine McGarry who visits the school regularly to advise on matters relating to career and curricular choice. Appointments to discuss career choice with Lorraine can be arranged through Guidance staff. Pupils can also seek information directly from Guidance staff and from the school Librarian.

Support for pupils leaving school, including career guidance, financial advice, further education, post 16+ learning choices. How to access further information locally e.g. Jobcentre plus or hi-hope websites to support 16+ planning.

**EQUALITY AND INCLUSION**
http://www.highland.gov.uk/info/751/equality_diversity_and_citizenship/313/eq
ual_opportunities for up-to-date information, in summary, our activities in school should ensure that we: eliminate unlawful discrimination, advance equality of opportunity, promote good relations. Activities should not discriminate against any of the following ‘protected characteristics’ age, disability, race, religion or belief, sex, sexual orientation, gender reassignment, pregnancy and maternity.

**PROTECTION OF CHILDREN**
From time to time incidents can occur within the school setting which cause concern and could indicate that a pupil is suffering some form of abuse.

In terms of Highland Child Protection Committee Inter-agency Protection Guidelines, Education Services which can lead to a joint Social Work/Police investigation.

All agencies involved in Child Protection are obliged to make the welfare of children their paramount consideration and this will be the priority for Education Service Staff. Copies of child protection policy guidelines are available online at http://www.highland.gov.uk/info/1361/childcare_and_family_care/438/child_protection
EMPLOYMENT OF CHILDREN

The employment of children byelaws regulate the types of occupation in which children under school leaving age may be employed and other conditions of employment. For further information please see: http://www.highland.gov.uk/yourcouncil/committees/committeeinformation/byelaw-employ-child-99.htm

2009 Additional Support for Learning Act:

CHILD PROTECTION - AUTHORITY GUIDELINES

From time to time it can emerge within the school setting that a pupil is suffering some form of abuse.

In terms of Highland Child Protection Committee Inter-agency Protection Guidelines, Education Service staff must report such incidents to Social Work Services or Police Scotland which can lead to a joint Social Work / Police investigation.
All agencies involved in Child Protection are obliged to make the welfare of children their paramount consideration and this will be the priority for Education Service staff.

More information about Child Protection Procedures within Highland can be obtained from the Child Protection Development Officer, Ms Eliz MacIntosh - 01641 521297. Where allegations are made in school, please note that protocol often dictates that the school should not contact the parents.

ADDITIONAL SUPPORT NEEDS

HIGHLAND COUNCIL STATEMENT: Additional Support Needs

‘All children need support to help them learn. Some children require more help than others. We follow The Highland Practice Model staged approach to assessing, identifying and supporting additional support needs. In this model every child has a ‘named person’ who is responsible for making sure that the child or young person has the right help to support his/her development and well-being.
If you have a concern about your child in primary school please contact your child’s class teacher in the first instance or the ‘named person’, who will usually be the head teacher. In a secondary school, the named person will usually be the Principal Teacher Guidance/Pupil Support.’

Millburn Academy recognises that additional support needs have many causes and that many pupils experience difficulties in their learning at some time during their school career. The ASN department in Millburn works with other departments to make sure that pupils' needs are known and met. ASN staff work with other departments in planning, helping to provide suitable materials and working in classrooms.

ASN has a number of roles in school: consultation on the additional support needs of individual pupils and materials; co-operative teaching in class; personal tuition; contributing to staff development; preparation of programmes; working with other agencies and assessment. ASN staff are often involved in the planning and introduction of new work and are able to suggest ways of presenting material which can support learning in the classroom.
Millburn welcomes a number of pupils to our **Supported Provision** where pupils have an individual timetable and access to mainstream classes and smaller group teaching to meet their additional support needs.

All departments, in liaison with ASN, will be able to meet the learning needs of any pupil who has an additional support need on a short or long term basis. Supported assessment is available to overcome identified barriers to learning, and alternative forms of recording are encouraged through the use of differentiated materials and ICT.

Pupils are welcome to use the ASN department at break and lunchtimes. This is supervised by ASN staff and gives pupils the opportunity to chat and play games together.

The ASN department has a programme of Primary School Visits to get to know the needs of the pupils. The department also offer ‘pre-visits’ for children who are anxious about the move to secondary school. There is a Paired Reading Scheme in which S6 pupils read with S1 pupils on a regular basis. Both S1 and S6 pupils have found this a valuable exercise.

The ASN department recognises the importance of close co-operation with parents/carers and outside agencies such as the Psychological and Careers services. Any decisions made about pupils are reached through consultation with the pupil, parent/carer, the Guidance teacher etc. Pupils are also encouraged to seek help and advice.

At present the ASN department consists of 8 teachers and 12 Pupil Support Assistants.

If a parent thinks that a pupil has additional support needs you can get more information and advice on [http://enquire.org.uk/EducationalScotlandInformation](http://enquire.org.uk/EducationalScotlandInformation) or contact Mrs E Mackay or Mrs K McNamara - Acting PTs of ASN Dept.

Information specified by the Education (additional support for Learning) (Scotland) Act 2009 which includes -

a) The authority's policy in relation to provision for additional support needs
b) The arrangements by the authority in making appropriate arrangement for keeping under consideration the additional support needs of each such child and young person and the particular additional support needs of the children and young persons identified.

c) The other opportunities available under this Act for the identification of children and young persons who -
    a. Have additional support needs
    b. Require, or would require, a co-ordinated support plan
    c. The role of parents, children and young persons in the arrangements referred to in paragraph (b)
    d. The mediation services provided
    e. The officer or officers of the authority from whom parents of children having additional support needs, and young person's having such needs, can obtain advice and further information about provision for such needs.

The Additional Support for Learning (Sources of Information) Amendment Order 2011 -
Legal Information
The Education (Additional Support for Learning) (Scotland) Act 2004 came into force in November 2005. In June 2009, the Act was amended. These amendments from the Education (Additional Support for Learning) (Scotland) Act 2009 and it came into force on 14th November 2010.

What does this mean for pupils and parents?
The new Act doesn’t change the basic purpose of the 2004 Act – it aims to strengthen some duties under the Act and clarify parts that have been confusing.
Here are some of the main changes:
• Under the 2004 Act ‘additional support’ means support that is provided in a classroom or a school. The 2009 Act changes this to include support that is given out of school but that helps a child get the most out of their school education. This could include a social worker helping a child who refuses to go to school or a mental health nurse supporting a child to cope with issues affecting their school life.
• Children who are looked after by a Local Authority will automatically be assumed to have additional support needs. For looked after children who don’t need extra help this will have little impact. For those who do need help it will make sure their needs are considered as they move through school or if they change school. Local authorities will also be expected to check whether these children require a Co-ordinated Support Plan (CSP) or not.
• The 2009 Act allows parents to ask their local authority for a specific type of assessment at any time. Under the 2004 Act parents had this right only when asking the education authority to identify whether their child had additional support needs or when asking the education authority whether their child required a CSP.
• The duties that local authorities have towards young disabled children have been strengthened. Under the new Act local authorities have a duty to assess disabled children aged between 0 and 3 and provide them with additional support, if required, in agreement with their parents.
• Local authorities will have to publish information on where parents and carers can find help, information and advice, including contact details for Enquire. Local Authorities will have to make sure that a summary of this information (including details of dispute resolution and mediation services) is available from all schools (and other sites that provide education). They also need to make sure this information is included in school handbooks and on their website.
• There is a section about placing requests that states that parents of children with additional support needs, (including those that have CSPs) can make placing requests to any school in Scotland including schools outside the local authority area they live in.
• All appeals about placing requests to special schools (whether the child has a CSP or not) will be referred to the Additional Support Needs Tribunal. Some of the changes made in the 2009 Act deal specifically with children who have, or may require a CSP, and in particular to disagreements between local authorities and parents about the CSP.
The Act extends the reasons that a parent or young person can make a referral (called a reference) to the Additional Support Needs Tribunal. Parents can make a referral when a local authority decides that a child does not need a CSP but also when local authorities have: failed to provide the additional support set out in the CSP; not responded to a parent's request to find out whether their child needs a CSP within a given time; or, after having said they will consider whether a CSP is required have not made a decision (within a given time) on whether the child needs a CSP or not.

The Act also gives the Additional Support Needs Tribunal extra powers to force local authorities to provide, or make arrangements providing additional support that is set out in a CSP if they have not done so.

The new Act includes a duty for the Scottish Government to fund a national independent advocacy service (on request and free of charge) to support parents and young people in Additional Support Needs Tribunal proceedings.

The above points do not include all the changes resulting from the 2009 Act but simply cover the main points. Throughout the summer Enquire will be changing all their guides and fact sheets to take account of the 2009 Act. If you have any questions about the 2009 please contact the Enquire Helpline on 0845 123 2303 or by email on info@enquire.org.uk

**TRANSFERRING AND SHARING OF EDUCATIONAL DATA ABOUT PUPILS**

**Access to Pupil Records**
The school pupil records (Scotland) Regulations 1990 extend to parents the right of access (with certain specific exceptions) to any record held by the Authority in relation to their child. Parents may make application to the Head Teacher.

**Data Protection Act 1998**
Information on pupils, parent and guardians is stored on a computer system and may be used for teaching, registration, assessment and other administrative duties. The information is protected by the data Protection Act 1998 and may only be disclosed in accordance with the codes of practice. Further information can be obtained from [http://www.gov.scot/Topics/Statistics/ScotXed](http://www.gov.scot/Topics/Statistics/ScotXed)

**Transferring Educational data about pupils**
The Scottish Government and its partners collect and use information about pupils through the *Pupil Census* to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

**Why do we need your data?**
In order to make the best decisions about how to improve our education service, Scottish Government, education authorities and other partners such as the SQA and Skills Development Scotland need accurate, up-to-date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better examination results. Accurate and up-to-date data allows us to:

- plan and deliver better policies for the benefit of all pupils
- plan and deliver better policies for the benefit of specific groups of pupils
- better understand some of the factors which influence pupil attainment and achievement
- share good practice

30
target resources better
- enhance the quality of research to improve the lives of young people in Scotland

Data policy
Information about pupils' education is collected through our statistical surveys in partnership between the Scottish Government and Local Authorities through the ScotXed Programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. As part of its data policy, Scottish Government will not publish or make publicly available any information that allows individual pupils to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. Data is held securely and no information on individual pupils can or would be made publicly available by Scottish Government.

The individual data collected by Scottish Government through the Pupil Census is used for statistical and research purposes only.

Your data protection rights
The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (1998). We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. The Data Protection Act gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of each individual ScotXed survey, including the purpose of each and the published data, can be found on the ScotXed website:

Scottish Government works with a range of partners including Education Scotland, Skills Development Scotland and the SQA. On occasion, in order to help meet our aim of improving the life of young people in Scotland, we may make individual data available to partners such as the National Registers of Scotland to carry out research relating to the national population census and also academic institutions and organisations to carry out additional research and statistical analysis to meet their own official responsibilities. Any sharing of data will be done under the strict control of Scottish Government, and will be consistent with our data policy. This will ensure that no individual level data will be made public as a result of the data sharing and that these data will not be used to take any actions in respect of an individual. Decisions on the sharing of data will be taken in consultation with relevant colleagues and individuals within and out-with Scottish Government. At all times pupils’ rights under the Data Protection Act and other relevant legislation will be ensured.

CONCERNS
If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis at ScotXed@scotland.gsi.gov.uk or write to The ScotXed Support Office, Area 2D, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, Braille and large print.
COMPLAINTS PROCEDURE
If a parent has any concerns they should contact their child’s Named Person (Guidance Teacher) in the first instance, or the Senior Leadership Team for more serious issues.

The school will always endeavour to resolve issues by listening to parents and seeking solutions in partnership. Should a situation not be resolved, parents can contact the Area Care and Learning Manager, Fiona Shearer. Please note that transport is not a school responsibility and any queries should be addressed to the Transport Development Officer, Highland Council, Glenurquhart Rd, Inverness, IV3 5NX, or email public.transport@highland.gov.uk

A copy of the school complaints procedure can be found on the school website. Paper copies are available at the school reception. Parents can also obtain supportive information on the Parentline website.
