

Hello, Everyone!

Can you help the Council with an important decision?

A lot of new houses are being built nearby, at Ness Castle and Ness-Side. This means that lots of children in these new houses will need a school to go to.

We don't think your School, Holm Primary, will be big enough to take these children.

Highland Council thinks it would be a good idea to build a new school for the children in the new Ness Castle and Ness-side houses. Holm Primary would still stay open for the children who live close to it. We think we need to keep Holm Primary and have a new school for the children in the new houses.

Do you think this is a good idea? Please tick the answer below that you think is best.

YES	<input checked="" type="checkbox"/>
NO	<input type="checkbox"/>

Can you tell us why you gave the answer above?

yes because there is lots of people in are school and if people move school there will be les people

Can you tell us why you gave the answer above?

We can add more Floors to our School and put in CLASS ROOMS

The diagram shows a hand-drawn floor plan of a school building. On the left, there is a vertical section labeled '1st Floor'. To its right is a larger rectangular area labeled '2nd Floor'. Further right, there are two smaller rectangular sections, one labeled 'New' and the other 'Rock'. Below these two sections are several small circles, possibly representing windows or a garden. To the right of the building is a simple drawing of a person standing with arms outstretched. The entire drawing is enclosed in a hand-drawn rectangular border.
