

## HIGHLAND LICENSING BOARD

### GUIDE TO INFORMATION AVAILABLE THROUGH THE BOARD'S MODEL PUBLICATION SCHEME 2016

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- publish the classes of information that they make routinely available
- tell the public how to access the information and what it might cost.

Highland Licensing Board has adopted the **Model Publication Scheme 2016** produced by the Scottish Information Commissioner.

You can see this scheme on our website at <http://www.highland.gov.uk/businessinformation/licensing/liquorlicensing/> or by contacting us at one of the addresses below.

The purpose of this Guide to Information is to:

- allow you to see what information is available (and what is not available) in relation to each class.
- state what charges may be applied.
- explain how you can find the information easily.
- provide contact details for enquiries and to get help with accessing the information.
- explain how to request information we hold that has not been published.

#### *Availability and formats*

The information we publish through the model scheme is, wherever possible, available on our website. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this).

All our written information can also be made available, on request, in a range of different formats and languages.

#### *Exempt information*

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland's freedom of information laws (for example sensitive personal information or a trade secret), we may remove or redact the information before publication but we will explain why.

#### *Copyright and re-use*

The Board holds the copyright for the vast majority of information in this publication scheme. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

Where the Board holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- it is copied or reproduced accurately;
- it is not used in a misleading context; and
- the source of the material is identified.

Where the Board does not hold the copyright in its published information, you must apply to the copyright owner to obtain their permission for any form of re-use for which permission is required.

## **Charges**

This section explains when we may make a charge for our publications and how any charge will be calculated.

There is no charge to view information on our website or at our premises or where it can be sent to you electronically by email.

We may charge for providing paper copies of information, or information in alternative formats, to you, e.g., photocopying and postage, but we will charge you no more than it actually costs us to do so. We will always tell you what the cost is before providing the information to you.

### **Reproduction costs:**

Black and white copy - 10p per A4 sheet; 20p per A3 sheet

Colour copy - 30p per A4 sheet; 60p per A3 sheet

### **Alternative formats**

Computer discs

£1 per CD-Rom / DVD

### **Postage**

Charged at the cost to the Board of sending the information by first class post

If providing copies of any pre-printed publications, we will charge no more than the cost per copy of the total print run.

We do not pass any other costs on to you in relation to our published information.

We do charge in relation to information not published under this scheme. These charges are as follows.

General information requests -

- There will be no charge for information requests which cost us £100 or less to produce.
- Where information costs between £100 and £600 to provide to you, you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost

us £600 to provide, you would be asked to pay £50, that calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

- We are not obliged to respond to requests for non-environmental information which will cost us over £600 to process.
- Where environmental information costs over £600 to provide to you, we may ask you to pay the additional cost over that amount in full. For example, if you were to ask us for information that costs us £800 to provide, you may be asked to pay £250. This fee would be calculated on the basis of a waiver for the first £100 costs of providing the information, 10% of the next £500 costs, and full cost recovery for cost over £600 (in this example, £200).
- In calculating any costs, staff time will be calculated at actual cost per staff member at their hourly salary rate up to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Requests for your own personal data -

- The Act does not give a person the right to obtain copies of information which the Board may hold about them personally. You are however entitled to request your personal data from the Board under the subject access provisions contained in Section 7 of the Data Protection Act 1998.
- The Board may charge a maximum fee of £10 for providing your own personal data.
- Requests for information in terms of Section 7 of the Data Protection Act must -
  1. be made in writing,
  2. give your name and address,
  3. include proof of your identity,
  4. specify the information or documents sought, and
  5. include any fee applicable.

Such requests should be addressed to the Clerk to the Licensing Board at the address shown below.

The Board comprises ten elected members of The Highland Council. Details of the current membership are available at [http://www.highland.gov.uk/info/20003/committee\\_information/488/highland\\_licensing\\_board/4](http://www.highland.gov.uk/info/20003/committee_information/488/highland_licensing_board/4)

As Councillors, the Board members are required to adhere to the Councillors' Code of Conduct set by the Standards Commission for Scotland and downloadable at <http://www.highland.gov.uk/councillorsconduct>

The Board is a separate legal entity from the Council and is the licensing authority for all alcohol licensing in Highland and for the licensing of certain types of gambling activities. The Board does not employ any staff or own any assets. All staff carrying out the Board's responsibilities are recruited and employed by the Council. The Council provides accommodation for the meetings of the Board and necessary expenses for the work of the Board. All revenue received by the Board from licence application fees must be transferred to the Council and the Board's budget is held by the Council. For alcohol licensing, the Board determines its own fees (where these are not prescribed by legislation) and in doing so has regard to the desirability of ensuring that the total fees payable in respect of any period are likely to be broadly equivalent to the expenses incurred by the Board, and Highland Council, in administering the Licensing (Scotland) Act 2005 generally during that period. For licensing under the Gambling Act 2005, the fees are all prescribed by legislation.

The Board makes decisions on licensing policies and on licence applications. It is assisted and advised in its work by its Clerk, who is a Principal Solicitor within the Council. The Clerk is assisted by a Depute and other officers of the licensing team, which forms part of the Council's Legal Service.

Normal working hours for the Board and its staff are 9am to 1pm and 2pm to 5pm Mondays to Fridays inclusive.

Any enquiries or complaints regarding the Board's work can be directed to the postal, email or telephone contact details shown above.
