Ardnamurchan Lighthouse Trust

16th August 2018

Dear Ritchie

Re. Ardnamurchan Lighthouse Developments

The West Ardnamurchan Community Development Company Board would like to express their support for the planned asset acquisition and future developments at Ardnamurchan Lighthouse. As part of our community consultation in 2016, the community expressed their support for the Lighthouse Board and its plans to make this iconic site more sustainable for the benefit of the community and the local economy.

We have appreciated the regular updates on the plans being put together by the Board, and for its involvement in the wider strategy arising out of the community consultation to develop opportunities for better information about the local heritage and improved experiences for visitors.

We wish you every success with your plans and will offer any support we can including communicating on your behalf with the wide membership of the Community Development Company.

Best wishes,

Dale Meegan (Ms)

Company Secretary

On behalf of the Board of West Ardnamurchan Community Development Company
