

NAIRN – Permit Parking

The introduction of enforcement activity in Nairn in 2019 has required the formalising of any Permit schemes currently in place. We have listed the two zones to be implemented in the town. This will require residents, who are eligible, to apply for a new permit at a cost of £40 per permit. Concessions are available for the elderly and disabled drivers and details of the permit scheme and Terms and Conditions can be found at <https://www.highland.gov.uk/parkingpermits>

Holders of a permit will be able to park in a street with Permit Bays in their permit zone. The rollout of new permits will be available to eligible Nairn residents in due course and we will ensure information on this process will be made available to you.
