

27th June 2017

David MacFarlane,
Woodend
Spean Bridge
Inverness Shire

Dear David,

At the June meeting of Spean Bridge, Roy Bridge and Achnacarry Community Council we discussed, and unanimously approved a motion to support the purchase by the Community Centre Committee or SCIO of the land that is currently leased to the Spean Bridge Community Centre by Highland Council.

Part 2 of the Land Reform (Scotland) Act 2003 has given Community Bodies like the Community Centre the right to buy land, and we applaud the foresight of your Committee in protecting this vital asset for the community of Spean Bridge.

The Community Council actively support the aims and objectives of a variety of organisations within our Community, and if we can be of further assistance please do not hesitate to contact us. We wish your committee well during your negotiations with Highland Council.

Yours Sincerely,

John W Fotheringham
Chairman

I belong to a group of badminton players . We have been playing together for many years We use Spean Bridge Community Hall on Tuesday evenings throughout the year , with just a short break in the summer . We fully support the committee's application to purchase the land on which the Hall stands . This will ensure that the hall is an integral part of the village community life for the present and for future generations .
