Any objection to the Scheme must be in writing and include the name and address of the objector and must be accompanied by a statement of reasons for the objection. Where an objector has an interest in any land on which the operations are to be carried out or which may be affected by any of the operations or by any alteration in the flow of water caused by any of the operations that person's objection must include details of the land in which the objector has an interest, disclosure of the nature of the objector's interest in the land, and details of which aspects of the operations affect the objector. If no valid objections are made to the Scheme, then the Council must make the final decision to confirm or reject the Scheme. If, however there are objections which are not valid objections under Paragraph (3) (2) of Schedule 2 of the Act, the Council may make a preliminary decision and hold a hearing to consider the Scheme, before confirming or rejecting the Scheme. Where valid objections are made to the Scheme, the Council will consider the objections and make a preliminary decision to either (a) confirm the Scheme without modification, or (b) confirm the Scheme with modifications, or (c) reject the Scheme. Where an objection is received from a relevant objector, who is a person to whom paragraph 5(6) of Schedule 2 of the Act applies, the Council must notify Scottish Ministers of the preliminary decision. The Scottish Ministers must then decide whether to consider the Scheme or not. If the Scottish Ministers decide to consider the Scheme and valid objections remain, then the Scottish Ministers must cause a Public Local Inquiry to be held. After considering the outcome of the Public Local Inquiry, the Scottish Ministers must make the final decision to: (a) confirm the Scheme without modification, or (b) confirm the Scheme with modifications, or (c) reject the Scheme. Where the Scottish Ministers decide not to consider the Scheme; the Council must hold a hearing to consider the Scheme. Following the outcome of the hearing, the Council must make the final decision to (a) confirm the Scheme without modification, or (b) confirm the Scheme with modifications, or (c) reject the Scheme. Notification of the final decision, whether made by the Council or the Scottish Ministers will be given.

Any objection to the Scheme must be made during the period 08/03/2019 to 08/04/2019 inclusive to: Garry Smith, The Highland Council, Development & Infrastructure Service, Project Design Unit, Drummuie, Golspie, Sutherland, KW10 6TA or by email to garry.smith@highland.gov.uk

Any queries or clarifications regarding the Scheme can be obtained by emailing drumnadrochit.fps@highland.gov.uk or telephoning 01408 635 313.
