

THE HIGHLAND COUNCIL

The proposal is to establish a Gaelic Medium catchment area for Mount Pleasant Primary School, Thurso

EDUCATIONAL BENEFITS STATEMENT

THIS IS A PROPOSAL PAPER PREPARED IN TERMS OF THE EDUCATION AUTHORITY'S AGREED PROCEDURE TO MEET THE REQUIREMENTS OF THE SCHOOLS (CONSULTATION) (SCOTLAND) ACT 2010

INTRODUCTION

The Highland Council is proposing, subject to the outcome of the statutory consultation process:

- To establish a Gàidhlig Medium (GM) catchment area for Mount Pleasant Primary School. The new catchment will overlay the current English Medium (EM) catchments of Mount Pleasant Primary School, Miller Academy Primary School, Pennyland Primary School, Castletown Primary School, Crossroads Primary School, Halkirk Primary School, and Reay Primary School. Particular arrangements will apply for transport to Thurso from the latter four catchment areas
- In anticipation of the creation of Gàidhlig Medium Education (GME) in Thurso High School from 2020-21 onwards, to recognise that the catchment area for Thurso High School will apply to both Gàidhlig Medium and English Medium education from August 2020 onwards.

Existing primary school catchments for the provision of English Medium education will be unaffected.

Highland Council is making this Proposal to comply with Statutory Guidance issued by Bòrd na Gàidhlig under Section 9 of the Gaelic Language (Scotland) Act 2005. Part 1 of the Statutory Guidance specifically relates to the Education (Scotland) Act 2016 and the duty placed on education authorities to promote and support Gaelic education. The Guidance includes a specific requirement on local authorities to create GM catchment areas for schools that offer GME.

The proposed changes, if approved, will be implemented at the conclusion of the statutory consultation process.

If implemented as drafted, the proposed GM catchment for Thurso High School will include all of the primary school catchments within the Thurso Associated School Group (ASG).

Any identified parental demand for future local provision of GME from within any of the primary schools identified above, would be assessed in accordance with the Education (Scotland) Act 2016.

SUMMARY OF THE CONSULTATION PROCESS

PUBLICATION INFORMATION

Proposal Paper Published

The proposal paper will be available for inspection, free of charge, at:

- Mount Pleasant Primary School
- Castletown Primary School
- Crossroads Primary School
- Halkirk Primary School
- Miller Academy Primary School
- Pennyland Primary School
- Reay Primary School
- Thurso Public Library

and published on the Highland Council website:

www.highland.gov.uk/schoolconsultations

Copies of this Proposal Paper are also available on request from:

Business Support Team

Caithness House

Market Place

Wick

KW1 4AB

E-mail: Education.Consultations@highland.gov.uk

To request this information in an alternative format, e.g. large print, Braille, audio formats, or suitable language, please also contact the Business Support Team, Caithness House, Market Place, Wick, KW1 4AB

E-mail: Education.Consultations@highland.gov.uk

Formal notice of the Proposal and relevant information will be given and be made available, free of charge, to the consultees listed as follows:

- (i) Parents of pupils attending Mount Pleasant Primary School; including parents of pre-school pupils;
- (ii) Parents of pupils attending Castletown Primary School; including parents of pre-school pupils;
- (iii) Parents of pupils attending Crossroads Primary School; including parents of pre-school pupils;
- (iv) Parents of pupils attending Halkirk Primary School; including parents of pre-school pupils;

- (v) Parents of pupils attending Miller Academy Primary School; including parents of pre-school pupils;
- (vi) Parents of pupils attending Pennyland Primary School; including parents of pre-school pupils;
- (vii) Parents of pupils attending Reay Primary School; including parents of pre-school pupils;
- (viii) The Parent Councils of each of the above schools;
- (ix) All staff of the schools listed above.
- (x) Members of Parliament and Members of the Scottish Parliament for the area affected by the proposal;
- (xi) Trade union representatives;
- (xii) All Community Councils for the areas covered by the Proposal;
- (xiii) Bòrd na Gàidhlig;
- (xiv) Education Scotland;
- (xvii) Highland Youth Convenor

Advertisement in Local Media

A notice announcing the public meeting will be placed in the *John O'Groats Journal* and on the Highland Council's website and Facebook page.

Consultation Period

The consultation for this Proposal will run from 4 June 2019 and will end on 30 August 2019. This period allows for the statutory minimum of six weeks, including at least thirty school days.

Public Meeting

A public meeting will be held, the details of which are set out below:

Mount Pleasant Primary School, 25 June 2019 at 7.30pm.

Anyone wishing to attend the public meeting is invited to do so. The meeting will be convened by the Council, will be chaired by a senior elected councillor, and will be addressed by officers of the Care and Learning Service.

The meeting will be an opportunity for the public to hear more about the proposal; to ask questions about the proposal; and to have the views of all stakeholders recorded so that they can be taken into account. A note will be taken at the meeting of questions asked and views expressed. This note will be published on the Council website. The meeting will also be recorded.

The note will be forwarded to Education Scotland, along with other submissions and comments received by the Council during the consultation process.

Meetings with Pupils and Staff

School staff will arrange to discuss the proposal with pupils (who are considered to be of a suitable age and maturity) in the affected schools. A record of questions,

responses and views will be taken and this will be published in the Consultation Report.

Responses to the Proposals

Interested parties are invited to respond to the Proposals by making written or electronic submissions on the Proposals to:

Jacquelyn Jennett
Area Care and Learning Manager (North)
Council Offices
Drummuie
Golspie
KW10 6TA
Email: Education.Consultations@highland.gov.uk

Or via an online form, a link to which can be found on

www.highland.gov.uk/schoolconsultations

When responding, you are invited to state your relationship with the school – for example, “pupil”, “parent”, “carer”, “relative”, “former pupil”, “teacher in school”, “member of the community” etc. However it is not compulsory to do so.

Those sending in a response, whether by letter or electronically should know that their response will be open to public scrutiny and may have to be supplied to anyone making a reasonable request to see it. If they do not wish their response to be made publicly available, they should clearly write on the document: “I wish my response to be considered as confidential with access restricted to Councillors and Council Officers of Highland Council”. Otherwise, it will be assumed that the person making the response agrees to it being made publicly available. All written responses must be received by the last day of the consultation period, 30 August 2019 at 5.00pm.

Involvement of Education Scotland

When the Proposal Document is published, a copy will also be sent to Education Scotland by the Council. Education Scotland will also be sent, by 9 September 2019, a copy of any relevant written representations that are received by the Council from any person during the consultation period. Education Scotland will also receive the summary note of the public meeting that will be held and so far as is practicable a copy of any other relevant documentation. Education Scotland will then prepare a report on the educational aspects of the proposal not later than 27 September 2019. In preparing their report, Education Scotland may visit the affected schools and make such enquiries of people there as they consider appropriate.

Review of Consultation Exercise

Highland Council will review the proposal having regard to the Education Scotland Report, written representations that it has received, and oral representations made at the public meeting. It will then prepare a Consultation Report. This Report will be

published in electronic and printed formats and will be sent to anyone who submitted a written representation during consultation. It will be available on the Council website as well as at the affected school and local library, free of charge. The Report will include a summary of the written and oral representations made during consultation and a copy of the Education Scotland Report, together with the Council's considered response to the issues raised. The Report will include details of details of any alleged inaccuracies and/or omissions and how these have been handled. The Consultation Report will be published at least 3 weeks prior to being submitted to the Council's Care, Learning and Housing Committee, who will make a recommendation to the full Highland Council.

In publishing the report the Council will invite any person or party to make further representations to the Committee prior to its meeting. A notice to this effect will also be published on the Highland Council website.

At the present time the Council intends to publish its Report in December 2019 prior to submission to the Council's Care, Learning and Housing Committee in March 2020. However, this timescale may change depending on the nature of issues raised during consultation, and the need to give full consideration to those issues. In the latter event, the Report may not be submitted until a later Committee meeting.

Any proposal approved by the Care, Learning and Housing Committee would require to be confirmed by a subsequent meeting of the full Highland Council.

Note on Corrections

If any inaccuracy or omission is discovered in this Proposal paper, either by the Council or any other person, the Council will determine if relevant information has been omitted or, if the paper contains an inaccuracy. The Council will then take appropriate action, which may include the issue of a correction or the reissuing of the Proposal or the revision of the timescale for the consultation period, if appropriate. In that event, relevant consultees and HMI will be advised.

PROPOSAL

Legislative Background

- 1.1 The proposal is advanced within the context of all applicable legislation. Amongst other duties, education authorities are required to secure adequate and efficient provision of school education (S.1 of the Education Act 1980); to publish or otherwise make available information as to their arrangements for the placing of children in schools under their management (S.28 of the 1980 Act) and to promote and support Gaelic Medium education and learning (S.15 of The Education (Scotland) Act 2016. Statutory Guidance issued by Bòrd na Gàidhlig early in 2017 specifies that local authorities should establish catchment areas for Gàidhlig Medium education, and the Council must comply with this Guidance. A catchment area for GME provision should be an area in which the education authority thinks it is reasonable for pupils wishing to receive GME provision to travel to school, and should have the potential to attract parents to choose GME provision for their children. Catchment areas for GME will normally overlay a number of school catchment areas.
- 1.2 In common with all public bodies in Scotland, the Highland Council also has a duty to provide Best Value. This includes making arrangements to secure continuous improvement in performance whilst maintaining an appropriate balance between quality and cost; and, in making those arrangements and securing that balance, to have regard to economy, efficiency, effectiveness, equal opportunities requirements and to contribute to the achievement of sustainable development.

Reason for the Proposal

- 2.1 This proposal is being advanced for the following reasons:
 - Bòrd na Gàidhlig has issued statutory guidance recommending that local authorities create catchment areas for GME.
 - Highland Council has not previously specified catchment areas for many of its schools offering GME. This has led to a lack of clarity for parents in respect of entitlement to GME (see paragraph 2.2 below).
- 2.2 The current criteria for providing transport to GME in Highland are not particularly well defined, and have evolved over time. The minimum distance and road safety criteria are the same as for English Medium education. The Council currently has an informal arrangement under which transport to GME can be provided “within reasonable travelling distance”. This has been generally interpreted as meaning up to 15 miles, but there are numerous variations.

Informal Consultation

- 3.1 Informal discussions have been held with local elected councillors, with staff of Bòrd na Gàidhlig, and with the Head Teacher of Mount Pleasant Primary School, Miller Academy Primary School, Pennyland Primary School, Castletown Primary School, Crossroads Primary School, Halkirk Primary School, and Reay Primary School. Contact was also made with the Parent Councils of each of the above schools, and with all the local Community Councils. An explanation of the Proposal was provided and comments were invited. None of the Parent Councils or Community Councils responded in detail at this stage.

Current and Planned Provision of Gàidhlig Medium Education within the Thurso ASG

- 4.1 GME is currently not offered within Thurso High School. However, Highland Council proposes to introduce GME at Thurso High in August 2020, to coincide with the first Gàidhlig Medium pupils from Mount Pleasant Primary entering S1.
- 4.2 There are 7 primary schools within the ASG. Mount Pleasant Primary is the only one to offer GME at the primary stage.

Mount Pleasant Primary School

- 5.1 Mount Pleasant Primary one of three primary schools located within the town of Thurso. Presently the school has 195 pupils across P1-7 in English Medium classes and 20 pupils in Gàidhlig Medium classes. There are also 44 children in the English medium nursery and 9 in Sgoil-àraich (Gàidhlig Medium pre-school nursery).
- 5.2 All of the current pupils within the Gàidhlig Medium classes live within the town of Thurso or its immediate surrounds. Of the 20 GM pupils at present, 10 are from within the Miller Academy Primary catchment, 5 are from the Pennyland Primary catchment, and 5 are from the Mount Pleasant PS catchment itself.
- 5.2 Gàidhlig Medium education was first established at Mount Pleasant Primary in 2013 and was extended to nursery age pupils in 2015.
- 5.3 The school has good-sized classrooms, a large assembly hall with stage, a gymnasium, a library and a music room. Within the main building there is also a Nursery and an Enhanced Provision Unit. A separate building within the grounds houses Sgoil-àraich, the Gaelic Medium Nursery. There is a generous tarmac area around the school and a large grass area with two junior size football pitches. An all-weather accessible path has recently been installed around the pitches. Throughout the school year children have opportunities to explore an enclosed Nature Garden.

Proposed School Catchments for GME

- 6.1 There are 6 other primary schools within the Thurso ASG. Approximate travel distances and times to Mount Pleasant Primary from the other schools are set out below:

Castletown Primary – Mount Pleasant Primary – 5 miles, 8 minutes travel time.

Crossroads Primary – Mount Pleasant Primary – 10.2 miles, 14 minutes travel time.

Halkirk Primary – Mount Pleasant Primary – 7.5 miles, 13 minutes travel time.

Miller Academy Primary – Mount Pleasant Primary – 0.8 miles, 3 minutes travel time.

Pennyland Primary - Mount Pleasant Primary – 1.3 miles, 4 minutes travel time.

Reay Primary - Mount Pleasant Primary – 11.2 miles, 18 minutes travel time.

- 6.2 The statutory guidance specifies that a catchment area for GME provision should be an area in which the education authority thinks it is reasonable for pupils wishing to receive GME provision to travel to school, and should have the potential to attract parents to choose GME provision for their children.
- 6.3 The Council is sympathetic to the idea that Gàidhlig Medium Education should be accessible as many pupils Highland as possible, provided it is practical and reasonable to provide access.
- 6.4 By the standards of Highland geography, the Thurso ASG is relatively compact and travel distances are shorter than in many other secondary school catchments.
- 6.5 The Council therefore proposes that the GM catchment for Mount Pleasant Primary will overlay the English Medium catchments of Castletown, Crossroads, Halkirk, Miller Academy, Pennyland and Reay primaries, but with restrictions on transport as set out below.
- 6.6 In considering the principles of Best Value – see paragraph 1.2 above - Highland Council has noted that to provide dedicated transport from the areas covered by the Castletown, Crossroads, Halkirk, and Reay catchments could result in an unacceptably high level of additional cost to the taxpayer.
- 6.7 The Council therefore proposes that the provision of school transport from the catchment areas of Castletown, Crossroads, Halkirk, and Reay primary schools to GME at Mount Pleasant Primary will be on the basis of utilising the existing transport for Thurso High School. Dedicated transport by taxi or minibus will not normally be provided.

- 6.8 The map at **Appendix B** shows the current school catchments for the Thurso ASG (outlined in red), with the proposed GM catchment outlined in blue.
- 6.9 No changes are proposed for these catchments in respect of English Medium education.
- 6.10 For the purposes of GME, the Thurso High School catchment will be the same as the school's existing catchment.

Educational Benefits

- 7.1 The Proposal forms part of Highland Council's overall approach to the promotion of Gàidhlig medium education. Up to now, Highland Council's admission arrangements to GME have been informal and based on a "reasonable distance" (often applied as a 15 mile radius) from each school offering GME. In some locations these radii have overlapped, and the "15 mile" principle has not always been applied consistently. The creation of GM catchment areas, extended throughout Highland, will mean that admissions to GME will in future be more formal and robust.
- 7.2 The Proposal therefore helps to consolidate our existing provision of GME, and allows for the more efficient use of resources. It should be considered alongside other measures being undertaken to promote Gaelic and the benefits of bilingualism.

Effects on School Transport

- 8.1 Paragraph 6.7 above explains why no effects on school transport are anticipated.

Effects on Staff and School Management Arrangements

- 9.1 At the present time there are 20 children in the area attending GME. The Council does not expect any significant impact on school rolls in the short term. It is possible that numbers may increase in the medium to long term and that this could have a limited effect on the rolls of the other neighbouring schools. This however remains a hypothetical scenario. Any reductions in staffing that result will be handled in accordance with the agreed redeployment procedures.

Effect on the Local Communities

- 10.1 The proposal is not expected to have any impact on the wider local community.

Recommendation

- 11.1 Highland Council recommends the adoption of a Gàidhlig Medium catchment area for Mount Pleasant Primary School, along the lines set out in this paper.

- 11.2 This consultation paper is issued in terms of the authority's procedures to meet the relevant statutory requirements. Following the consultation period, a report and submissions received will be presented to the Care, Learning and Housing Committee of the Highland Council.
