1	I have looked and cannot find anything in the attachments that confirms the levels of insurance required. The only answer I can find refers back to the contract notice but that has still not be made available as far as I can see? Can you please advise?	28/09/2019	The Contract Notice has now been uploaded into Attachments as a PDF in Tender Documentation
2.	There are 6 different geographical areas to possibly bid for but I cannot find the map showing the boundaries for each area. If we are trying to ascertain which areas to bid for on the understanding we need to meet the KPI timescales we need to evaluate the furthest point on the areas boundary can be meet within the HC timescales and so know which areas we can bid for.	05/09/2019	A new map has now been uploaded into Tender Documentation in supplier attachments.
