

Rent Consultation 2019 – 2020

We shall shortly be starting our Rent Consultation for Council house rents for 2019 – 2020.

A paper consultation is being sent out by the end of October with the Tenant Newsletter which can be returned to us to the Freepost address on the form. You can also view the full consultation on our website at www.highland.gov.uk/rentconsultation or complete the rent survey online via: <https://www.surveymonkey.co.uk/r/rentc>

We will also be coming out to see as many tenants as possible, in the areas where they live, over the next month – please keep an eye out and come and talk to us! The timetable below shows where we will be on which days. More precise times will be available locally closer to the time

Timetable for Rent Consultation visits
